Love... Hate... Anger... Admiration. I Love you today.. But I might hate you tomorrow. I need you today... But tomorrow I don't want you around. I Love I hurt I cherish I push I am complicated I am complex I give it all I hold nothing back. I love with all my heart And give more than I can spare My love will never die But my hate won't last long So take the good. Try to look past the bad. Hold me forever Till Death do us part.
