I long to be inside of you, to hear your voice and know its true; That you feel the same as I, a burning lust we can't deny. Feeling your breath on my skin, throwing caution to the wind; Achieve that state of total bliss, what I require is your kiss. Your sweet lips all over me, creating a state of ecstasy; Tingles run right down my spine, straight to that hot pussy of mine. Baby I want to make you moan, thrill you right down to the bone; I'm a pressure cooker that needs release, you can bring me to my peak. Steamy hot I am about to blow, I need you just so you know; To sooth my body and ease my mind, it takes both of us entwined. Hard as steel I feel your meat, I am ready to be swept off my feet; Carried away on a cloud of desire, my need to cum with you is dyer. It is building up inside of me, the anticipation of what can be; Feeling your tongue licking my lips, it makes my wet pussy twitch. Makes it tight and ready for cock, fuck me now and please don't stop; Clamping down on your dick, play with my clit and give it a flick. Feel my tunnel squeezing your pole, what I really want is your sweet hole; Exploring the inside of you, makes my deepest passions brew. Straddle my face and feed me your cock, I want to fuck your ass around the clock; Suck your dick just like you love, making you cum is all I can think of. I really want you on your knees, ass in the air ready to please; Tease your prostate and make you shake, an orgasm stronger than an earthquake. Then keep on going playing with your head, over that line is where I'll tread; I just love to make you jump, tease your cock and make your heart thump. But what I need even more; is to be your little cum slut whore; Have you give me orgasms a plenty, my juices drip from having so many. Wave after wave radiating through me, contractions so deep in my pussy; A pulsing hard clit here I go again, I'm cumming so hard I am going insane. Crazy for the things you do to me, you know exactly what I need; Make me cum so many times, multiple orgasms just like wine. They make me drunk with lust for you; I love all the sexy things that you do; Make me cum baby the way you know how, leave me so breathless I can only say WOW!
