Love for some friends

By the moon I sit to seek your glory, The white rose I see creates a new story. Seasons are many, Their reasons few in between. What remains is that I always Love you! For all to see, No matter where we're at, No matter the time But this moment That we seek. For this moment In the moonlight, I'm loving you, No matter what they say No matter what they do. You're the one whom I love, My sweet friend. So many moments So many times That we steal A tender hug That makes our heart skip, A sweet kiss That leaves us breathless. I won't trade this moment I won't trade your love, I won't trade our friendship In the moonlight.
