I'm in love, And it feels so right. I just wanna reach up, And touch the sky. I'm burning with the, Fire with in my heart. I feel like a, Work of art. When I'm with you, I can never lose. Good or bad, I'll be there for any news. I wanna be there, When you're down. I will come and, Turn up that frown. I love you, With all my heart. I love you, With every single part. My soul aches, When I'm not with you. My love, Can only be true.
