I love you Charles

Hoping Wishing Longing to feel your touch. Your soft lips, Pressed against mine. Our tongues wrapping around each other As we kiss. Your arms wrapped around me As your fingers Run gently over my skin, Caressing my sides. Your palms Pressed against my breasts Rubbing gently, Over my hard nipple. My hands caressing your hardness Massaging your balls. As I feel the moisture Building between my legs, Watching your eyes Seeing your love Wanting desire In their depths.
