Hush and soothe this night away; Kiss the velvet skies to day; Hum a lullaby of peace And let my love for you increase. Smooth my cheek and rest awhile; Sing a heart song, sleepy smile. Hold me closer, kiss me soft; Sweetly hold my dreams aloft; Ease away the tautened worry; Send the nightmares all a-scurry. Rest inside me, deeply aching; Bring me timeless, happy waking. Slide my thoughts to touch your soul; Open, pay this starry toll; Kiss me gently, love me, please, 'Til sun, and moon, and starlit seas All bide their time as we embrace And smile upon this one night's grace.
