I am poison So I've been told Dare taste my fruit If you are bold. You've been warned About my charms So sweet, so sly Of how it harms I'll reel you in I'll take my prey Devour you whole Then run away I mean no harm Partake of me But you will never Be set free I'll use and use I'll only take That's what he said GO! For your sake I'll only hurt I'm hard to love Don't even try I'll only shove. My love is tight My love is true But when we met That day, you'll rue. Die in my arms? You sweetly say But you won't die In pain you'll stay I love you now, dear Like I never have Please stay away from me Please don't...
