Resistance is futile yes it is true because my desires are brutal and they are all for you. I know you had been looking for a very long time to find someone that could make you unwind. To physically take your body by force and fulfill your submissive desires of course. Because I can only have you online the control I have over you is your mind. I would bet money you often think of me and are reminded of all our fantasies that could be. Resistance is futile yes it's true because you belong with me and I belong with you. Though our timing has been for total crap it is your sexy ass that I want to slap. Take you down a peg or two let you know who is in control of you. Whose commands you must obey and listen to every word that I say. Resistance is futile soon you will understand that you WILL be my submissive man. The fact of the matter is that you already are addicted to me stuck to me like tar. You know you can't stay away you will always eventually return looking to play. The sooner you are accepting of this fact the sooner we can get on the right track. Resistance is futile so sit back and enjoy being your Mistress' favorite boi toy. This situation we have can be long term I will never loose the desire to make you squirm. To want to fuck your sexy hot ass and dress you up with BDSM class.
