12:00 A.M. you wandered in, looking to go to bed But I had naughtier plans than that, swimming in my head  
12:01 your shirt was gone, I knew you'd not yet rest I want to feel the weight of you, pressing on my chest  
12:03 you slide next to me And begin to fluff your pillow 12:04 I reached in the drawer To fetch my favourite dildo  
12:06 you closed your eyes, thinking you'd soon snore I was peeling off my knickers, kicking them to the floor  
12:08 it's not that late, I reach out and take your cock 12:09 hard cock is mine I make it sex o'clock  
12:11 I'm in heaven You're teasing me, oh! so well 12:13 you're circling the bean And it begins to swell  
12:14 I spin around My legs spread over your hips 12:15 your fingers glide Up and down wet pussy lips  
12:17 I'm fucking keen Dildo and I are one 12:21 this game has begun Good god, I want to cum  
12:24 you up the score Your cock pushed against my bum 12:28 don't hesitate, take me at your will  
12:31 the time has come Both holes are stretched and full 12:33 deep inside me I feel your hot cum spill  
12:35 my tongue's alive I suck, I clean your cock 12:38 it's getting late I make it sex o'clock  
12:39 is the time You slide down between my thighs 12:41 tongue deep in cunt Lust now fills in my eyes  
12:43 tongue teasing me My god, you love the taste 12:48 I'm in a state I grind, I fuck your face  
12:51 you slow your tongue And state this is no race 1:00 A.M. you make me beg Then you quicken up the pace
