Turn the key, unlock the lock, quiet as a mouse; You in bed, sound asleep, as I sneak into your house. You gave me a key because you want it to be a total surprise; To wake you up from your deep sleep, climbing in between your thighs. Planting little sweet wet kisses from your knees up to your balls; You groan and rustle, then open your eyes to the prettiest sight of all. In the soft morning light your tired eyes try to adjust; As you watch my lush pink lips giving you kisses filled with lust. Stick out my tongue and run it up the back of your growing shaft; The look on your face is mesmerized as I give out an evil laugh. Tie your wrists securely with my silk rope to the posts of your bed; Slip a blindfold over your eyes, the last thing you see is the top of my head. Going down on your big dick that is standing up straight and tall; For you my sexy, young, stud muffin I'm going to give it to you all. Straddle your chest and lower my pussy right above your face; While stroking your cock and rubbing your balls I ask "Do you want a taste?" You mumble what sounds like a yes and I say "Bitch speak up!" "If you want it, beg for that pussy, just like a little horny slut!" "Please I want it" you try to say as my pussy envelops your face; Feeling your tongue lapping at my clit, I cum all over the place! My juices dripping down your chin I listen to you breathe; Riding your face with my pussy, I know what you really need. Grinding down on your mouth as I swallow your hard cock; I yell "Fuck my hole with your tongue and don't you dare stop!" Your goatee tickles my smooth pussy lips as you try to get some air; Your sexy body is under my control, I can't help but stare. Survey the landscape and decide what I'm going to do to you next; Lots of things to choose from in my bag of tricks and they are all rated X. I climb off your face and circle my prey watching your muscles flex; No matter what I choose to do I know you will never object! Your body it trembles from my touch, droplets of sweat form on your brow; Clamps on your nipples, cock ring in place, baby I want your ass right now! Your legs held high in the air as I place a pillow under your low back; I'm stepping into my favorite harness with my vibrating cock that is black. I walk up to the edge of the bed and turn your head to the side; Into your willing open mouth my strap on black cock I slide. Holding your head in my hands as I thrust my hips too and throw; Fucking your mouth really turns me on, down my legs my juices flow. Kinky boy I know

what you want as I dress you up as my bitch; Thigh high stockings all silky feeling, our typical roles we will switch. Laying there naked and helpless straining against my ropes; I tease your hole spreading that lube while your balls I grope. You can't stay still, you start to squirm, as my fingers massage your prostate; Your ass is so hungry it swallows them up, it wants fucked and it doesn't want to wait! Moan for me my sexy stud muffin I want to hear you make some noise; As my strap on cock penetrates your ass I say "Aren't you a lucky boy!" "Yes ma'am I am, please give it to me hard" you say with a grin on your lips; I don't need any encouragement to fuck you good, with force I thrust my hips. Holding you tight with my cock completely buried in your tight ass; I flip the switch and turn the vibrator on, the shock of it makes you gasp. Your legs in the air with me fucking you in a missionary style; Feeling your ass gripping my cock the resistance makes me smile. I untie your arms and scoot your ass all the way to the edge of the bed; Your legs on my shoulders, your shaft in my hand, the head of your cock is red. All at once with one big thrust I fill your ass up all the way to the brim; Then pull the chain on your nipple clamps so deftly pinching your skin. Slow and deep I fuck your ass giving you exactly what you need; Your cock is dripping all over the place, I'm going to make you spill your seed. Picking up the pace I fuck you harder and deeper than before; Then remove your nipple clamps, you've had as much as you can endure. As the blood rushes back into those little pink nubs; I pound your ass, stroke your cock and your balls I rub. I can't take it anymore, fucking you just drives me wild; Get ready stud it's time to cum and you know it won't be mild. My pussy explodes from the vibrations of my cock that's ramming your ass; I am going to coax all the hot cum out of you and I'm going to make it last! Your throbbing cock twitches in my hand as your orgasm begins; One rope of cum and then another lands all over your sexy skin. Cumming together feels so good, shivers right down our spines; Sexy stud muffin give me your ass, you know I think it's so fine! When he stops shaking and I withdraw time to suck his cock; If he tries to protest at all, anything he does I'll block. Take his sensitive penis and tease it with my warm lips; Suck it all the way into my mouth and tongue it until he flips! When I've had my fill and he just can't take anymore pleasure; I whisper in his ear "My stud muffin next time will be even better..."
