*How do I ask you to tell me?*

Tell me... What I should do to you, how I should hold you, how I should kiss you, and how I should touch you. Tell me... What you would do to me, how you would hold me, how you would kiss me, and how you would touch me. Arouse me... Where do you moisten? How do you taste? How do you feel? And how I excite you? And I will... Hold you in my dreams, dream of your passion, dream of your lust, and find release in your words. Tell me...
