I was thinking of you today In words I prob'ly shouldn't say. Or, if said, just in a hush Because they'd make most people blush. Or maybe Yiddish; what the heckie Say I was playing with my schmeckie. And though you're really far away, I still want to jump your bones today. And now I'm growing such a stalk If I stand up, I can not walk. I'll keep poking into things: The backs of chairs, and table wings. So I'd better stay abed and play Imagining you in every way; Riding as reverse cowgirl, Or giving doggie style a whirl. Whatever way we get it done We both know it'd be such fun We wouldn't want to ever end So let's fuck forever, my best friend.
