You asked me if I think of you, You know, my Love I always do, And even though I can't be there, I want you to know I'll always care. So much in my life has recently changed, Everything seemingly rearranged, Until I get it all on track, I don't know when I will be back. And though I sleep alone at night, Without you, my Love to hold me tight, And though I sleep with the stars overhead, I'd rather be home sharing your bed. But I hope it's understood, I'd be there with you if I could, And though the distance keeps us apart, You will always be here in my heart. 04-06-10.
