For Nancy, who says I don't speak enough...well, sometimes...

Oftentimes the many thoughts, That go on inside my head, So many thoughts unspoken, So much remains unsaid. And sometimes the most precious thoughts, Just never get put to word, The ones with the most meaning, Are the ones that are never heard. Because when someone means so much, I don't always have words to say, For feelings that run much deeper, Than mere words could ever convey. And just because words aren't often voiced, Doesn't make them any less true, Words that have special meaning, Words like 'I love you.' So though I may not often speak, The words you want to hear, Know that you are still in my heart, And my thoughts of you are dear. 06-11-10.
