While mowing my yard ... Today I Cried ... thinking of you.

TODAY, I CRIED... ... Over a love that once was alive and then died. ... Over hurtful things in our lives. ... Over mistakes made that cannot be denied. ... Over 'heart' decisions that don't come easy. ... Over the open cage that once held captive your soul in my heart. ... Over the hard lessons you've had to learn alone. ... Over betrayals in your life. ... Over innocent lives that may grow up too soon. ... Over a turmoil I hope you never have to face. ... Over your confusion and unfilled needs. ... Over your capacity to give and to give without taking for yourself. ... Over a message from your heart to mine. ... Over what won't go away. ... Over how to say again "I love you" in a cherished sort of way. ... Over you ... cleansing tears from my heart. ... Over this, today I cried.
