Why did you forsake me? What did I do wrong? Did I not treat you right? Will you help me? I don't want to do this again Just to meet the same end. Why did you forsake me? Did I not love you enough? What did you see, That I could not see myself? What did I do wrong? For now I have a heartache Now you are gone What was my mistake? Did I not treat you right? Did you not love me? Please give me the light So I can see. Will you help me? I don't want to do this again Just to meet the same end.
