Wish I Could Have Met You
You inspired a man to be great
His eyes shine when he speaks your name
You taught him to be kind
You taught him to work hard
You taught him how to live
You taught him how to love
You left behind a legacy
Look down on him from above
Feel joy and be proud
Wish I could have met you
Shake your hand and share a smile
Wish I could have met the man
Who left so much love behind
You are forever in his heart
You are forever in his mind
