Going crazy, Insane, Deprived of the thing, That keeps me alive. -No air, No breathing, smelling, anything, But your scent. -No sound, No hearing anything, But your voice, A sound so beautiful, it causes pain, a pain that is to be cherished, and kept forever. -No eyes, No seeing anything, But your face, Your body next to mine -No heart, Only because it is yours now. I will never get it back, I will never have air, Or ears, or eyes. No one can help me now. Because you can't help someone, Who doesn't want to be helped.
