Aching I need it Lust I want to feel it Sliding deep inside Hot and hard Pulsing thick and virile Fuck
Take me Push me over that edge Make me scream Moan Gasp Whisper those words in my ear
Nasty, dirty, filthy words Like slut and whore and horny little bitch Make me curse And cry And Beg
Take me to the limits of my need Take me to the heights of my want Pull my hair Bite my breasts
Squeeze my nipples Bury your cock inside My wet clasp centre And ruin me Wreck me End me Fill
me with your essence Your need Empty your soul into My core and Make me your slave Your toy
Your everything All the time And at the end of it all Hold me close and Whisper in my ear That you
love me!
