by floridaguy2001 © We barely had time to get dressed as John came in the door. "Hey Matt do you think we can get an early start tomorrow? The office is a mess. I really need to get organized." "No problem, what time do you want me to get up?" "How about 6 am?" "Sure no problem. Well I am beat after all the traveling; I think I will head to bed. Goodnight guys." "Goodnight Matt." I climbed into bed exhausted physically and emotionally. What a roller coaster of emotions. I just finished fucking my beautiful mother in law and the next day I had to act as if nothing happened and go to work with my father in law. It didn't take me long to fall asleep. The next morning I walked into the kitchen and Carol was fixing breakfast. "Where is John?" "He is still in the shower honey." Upon hearing those words I walked up behind Carol and put my arms around her and gave her breasts a squeeze.

"Mmmmmmmmmmmmm Matt that feels so good but we have to be careful. Go sit down and I will serve you breakfast." As Carol Served me John came in the room and sat down. "Good Morning." "Good Morning John." "Are you ready to go, we have a long day ahead of us." "Yeap." We headed out the door and we drove to his work. The days blurred one after the other. Nothing happened the rest of the week. I was spending most of the time with John while we set up his computers. On the sixth day I got a call from my wife. Apparently she had an accident at work and broke her leg. She asked if I could come home and help her. My mother in law got on the phone also and well you know how mothers are, she insisted in coming down to see her baby. So Carol and I took the car and headed back to Florida. John had too much work to do so he stayed behind. The first day we made good time, we drove all day and pulled into a small motel and got adjoining rooms. The moment we entered the room all hell broke loose. We couldn't get out of our clothes fast enough. We stripped down and I carried her to bed. As we kissed Carol started to slowly kiss my neck and make her way down my chest. She licked my nipples as her hands massaged my stomach. She then left a trail of kisses as she descended down to my belly button. She took my cock in her hand and just sat there an admired it." "So this is the beautiful cock that has been driving me wild." "Aha" "My oh my, now I know why I felt so full, you are so thick. How big is this baby?" "About 7 1/2 inches long and 7 inches thick at the base." "Wow I love it, John is nowhere as big as you." Just then my cell phone went off. It

my cock deep inside my mother in laws ass. That same ass I have been dreaming about ever since I started dating her daughter. And here I was with my cock buried inside of it. "Oh Matt baby fuck my ass." "Oh god Carol you are incredible." "Oh Matt fuck me faster baby, fuck mommy's ass." Oh my god, she was sending me over the edge. I couldn't believe she just referred herself as mommy. It was such a turn on. I kept fucking her harder and faster. "Oh yes baby fuck mommy good I want all your cock, I want all your hot cum inside me." That last statement sent me over the edge. I grabbed her cheeks and grunted as I exploded inside carol's ass. "Oh yes baby cum inside me, oh yessssssssssssssssssssssssssssssss." Oh my god I was spent. "MMMMMMMM did you like it when I referred to myself as mommy." "Oh my god Carol that was incredible." "Okay lets make a deal. When we are at home I am Carol when we are alone I am mom." "I never knew you were so wicked." "Sonny you have no idea how long I have wanted this." "Wow I can't believe how lucky I am." "MMMMMM well we are both lucky, you have me and I have that beautiful cock to fuck me." "Yes Carol it's your cock now." "What did you say?" Opps sorry mom." "That's better. Now lets get out of the shower and get going. We still have a long way to drive." We got dressed and headed out the door. She sat next to me as I drove. Her car had a bench seat so it was perfect. As I drove she unbutton my fly and pulled my cock out. The woman was insatiable. She jerked my cock as I drove. A truck was passing me in the left lane and I told carol to stop. Instead she looked at the passenger in the truck then slowly pushed her head down on my lap and took my cock in her mouth. Oh my god the woman was giving me a blowjob as the trucker looked on. The passenger must have told the driver to slow down because the truck was now driving at the same speed as us. He got a birds eye view as Carol sucked my cock. Finally I couldn't take it anymore and I exploded inside carol's mouth. She took every drop of cum. She then looked up, licked her lips and blew a kiss to the truckers. With that she zipped me up and they sped away. I looked at her with that, I couldn't believe you just did that look. And she simply smiled back at me with a mischievous grin. We drove for a while, the whole time she had her hand on my lap. We stopped at a restaurant to have dinner and when we finished we looked for a hotel for the night. I asked the clerk if he had a honeymoon suite. Sure enough he did. We took it and I opened the door and carried her across the threshold. It really did feel like we just got married. We couldn't keep our hands of each other. We took a look around and we noticed the Jacuzzi in the bathroom. I couldn't wait to get her in there. "What do you think mom?" "MMMM I like it when you call me mom. I think we are going to have a lot of fun here tonight. Now off with those pants." Carol proceeded to undress me and then I helped her with her clothes. I walked over to the Jacuzzi and turned on the water to fill it up as it filled we sat in the Jacuzzi at opposite ends. As the water filled it up Carol took her foot and was rubbing my groin. Watching those red toenails play with my cock was mesmerizing. She took both feet and grabbed my cock with them. She was masturbating me with her feet. I dropped the tinniest amount of shampoo and the Jacuzzi filled up with bubbles. I saw Carol rise up from the water. The bubbles partially covering her breasts. She took a hand full of water and let it slowly drip down her chest. As if by magic her breasts appeared as the bubbles floated away. She was gorgeous. She came up to me and offered up her breasts. What man could resist. I kissed, licked, and massaged her breasts. As I did this, she reached underwater for my

cock and lined up her pussy. She sat on my fat cock. Carol wrapped her arms around my neck and begged me to fuck her. "Oh Matt please fuck me with your big beautiful cock baby." Carol was bouncing up and down on my cock. I could feel her pussy sliding up and down. I lifted Carol up and turned her around. She grabbed the sides of the Jacuzzi and I lined up my cock behind her. I rubbed it all over her ass and slowly inserted it into her pussy. We both moaned as it slipped in. I loved the view. Here was my beautiful mother in laws ass staring back at me as I fucked her. "Matt take me to bed and make love to me baby." "Mom I am going to make love to you all night." I carried her to bed and I sat on the side. She then pushed me down on the bed and crawled up to me. Rubbing her pussy and her breasts up my body until she was lying on top of me. We kissed deeply, like long lost lovers. Our tongues danced, and as my hands caressed her ass we stopped kissing and I began kissing and licking her neck. She loved it. She then raised her butt up and took a hold of my cock and slowly put it inside her pussy. She descended on my cock. Devouring it with her pussy. "Oh mom your pussy feels like a vice grip." "MMMMMMMM your cock feels good baby." She started fucking my cock. She then did the most curious thing. She leaned over and grabbed my cell phone and made a call. As the phone rang she handed it to me. "Hello?" "Oh hi Linda it's just me." "Where are you now?" "Oh me and your mom pulled in for the night and I am in bed getting ready to go to sleep." As I said this Carol was sitting there riding my cock, her head was thrown back fucking me hard. "What's that noise?" "That's just the TV. Honey" I put my finger to my lips and tried to shush my mother in law. She just smiled and continued fucking me. "Well listen babe I was just checking up on you to see how you were feeling." "Thanks honey. Please forgive me about last night. I over reacted. It was silly of me to think you had the hots for my mom. I guess I have always been a little jealous of her, she is so sexy." "Honey you have nothing to be jealous about your beautiful too. Well bay I am going to sleep we have a long day of driving tomorrow. Get some sleep and I will see you tomorrow evening." I hung up the phone and Carol was insatiable. She started to fuck me faster. Then She whipped herself around and dragged me with her. She flipped on her back and now I was on top. "Fuck me Matt, god I love your cock." Carol then grabbed the cell phone and called John. "Hi Honey." "Hi baby, how is everything." "Everything is good. Matt and I stopped for the night, we were getting tired." "Don't drive too long I want you in one piece. Is Matt taking care of you." "Oh yes honey he has been wonderful. He has driven most of the way." As she spoke with John I kept fucking her. It was so bizarre I felt like I was in the twilight zone. Here I was fucking my mother in law while she spoke with her husband. By now I didn't care, I just kept fucking her. She kept talking with John as if nothing was happening. "I then heard her say, do you want to talk to him he is right here." She then hands me the phone. "Hi John how are you?" My cock deep inside her pussy as I spoke with John. I froze completely but Carol kept up her movements under me. She grabbed my ass with her sharp nails. She drove them into my skin as she fucked me. "I am doing good Matt, even though you had to leave early, the work you did for me has helped a lot." "Good....good glad I could heLLppp." As I said this I felt carol's nails dig in deeper. "Matt are you okay?" "Yes sorry John I hit my toe on the side of the bed." "Hey I am pretty tired I am going to bed here's Carol." "Okay goodnight Matt." I handed the phone back to Carol and I continued fucking her as she made small talk with John. The woman was a true deviant. She carried

on as I drove my cock inside her pussy. Finally I heard her say goodbye. "You are a wicked.....wicked woman." "MMMMMMMMM Yes I am darling. Now stop talking and start fucking!" As I fucked Carol she reached back and grabbed the bedposts and arched her back. She was meeting my every thrust with equal passion. All of a sudden she let go of the bedpost grabbed my ass, drove her nails in and said. "OH goddddddddddddddddddddddd yess oh fuck mommy's pussy baby. I am cummmmmmmmmmmmmmmmmmmmming." As I felt her cum I exploded inside her pussy. My cock kept spurting waves of cum as we kissed. She put her legs on my ass and kept pulling me into her, she didn't want to waste a drop of cum. I collapsed on top of her and we continued kissing. "Oh Matt I don't know what I am going to do after you leave, I am so hooked on your cock." "Mom I love you." "Oh Matt I love you too." We fell asleep in each other arms. This was my first sequel to any of the stories I have written. I hope you all enjoyed it.
