I fucked Sonali Bhabhi in car

<https://www.lushstories.com/stories/mature/nashilee-raat.aspx>

Hi readers! I am submitting another erotic story to entertain you all. I am going to share my experiences with a married desperate woman who was hungry to get a suitable cock inside her pussy. Let's enjoy this one to get relaxed sexually.

When I reached Bangalore, it was difficult for me to get a suitable job. I thought it would be better to join a small domestic firm rather than searching an MNC. Luckily I got employed as a computer operator in a small scale industry. The owner was very good person with an excellent personality. As I had no relatives in Bangalore, I preferred to be his paying guest. I moved to his place with my bag and baggage. I stayed at his guestroom. When I was there I knew that he has decent wife. Her name was Sonali. Though she was slim she was bonny to look at.

Whenever I used to come to room, I always ran to her and started to gossip with her. Within a short while I made friendship with her. I usually got a lot of time to pass with her. She always used to dress in tight tops and equally tight trousers. But when she used to come in front of me in sleeveless sari with a nice figure and fantastic boobs from side view, I got doubly horny. I wished to fuck such a beautiful Marathi married lady of 24 ages. She was simply ignorable for any man of any age. She maintained good physique and decent looks. She was fair, tall with nice firm breasts and round ass. I had fantasizes about Sonali Bhabhi. She was a gifted with a nice figure and fantastic boobs. When she used to come in front of me in tight jeans and tops, I used to read the small bulgy stomach and navel, the hairless sweet smelling armpit, the big shapely boobs and sexy brassiere. Moreover I imagined the soft hairs in the lower belly.

I gradually came to know that her husband belonged to a wealthy family but he was not interested in sex since he was a closet gay. The couple was in good terms for long interval. They quarreled with each other at night daily, even in my presence. I thought to avail the opportunity to enjoy her. On night while I was returning to home, I heard them shouting at each other. I listened to them carefully. I heard Sonali bhabhi scolding her husband, "You are a jinx for me. My life is completely jeopardized because of you, your ignorance. I am not going to tolerate you anymore in my life. I can't live with

you under the same roof. You don't think about me, my requirements. You are busy with your own business. I am going to my mother's this night. Then she came out with her suitcase and placed it in the dickey of Ferrari. She pushed her to the backseat of the car and closed the door. She rang me over mobile and asked me to drive the car up to her mother's. I changed my dress and reached to the car. I found her not correctly dressed. Perhaps she was not aware of that. And I could get a glimpse of her assets.

I ignited in the engine drove the car to the highway. I adjusted the mirror to get a slant view of her. I was driving the car at a speed of 60 kmph. My competitors were only those heavy vehicles that overtook me along the highway. I could hardly find any pedestrian passing by me. And inside the car, there was a beautiful lady I have to drop safely. But I became wicked and there was a change in my character. I supposed the night to be suitable to fuck her. There was none, not even her husband to safeguard her virginity. She was all alone in the car besides me. It was a full moon night and the moon was at its full beam. I made a naughty plan to fuck her alongside the road. Two hours had already passed. It was now 12-00 p.m. and there was nothing going on the highway except our car. I decided to bang her that night. After covering a distance, I pulled over the car to some deserted spot from the road and stopped behind a couple of banyan trees. I turned off the engine and immediately moved back and decided to make my move.

I watched open-mouthed her breasts literally popping through a red lacy brassiere. I wished to swallow the up. After sometime I stretched out my right hand and whirled it around her exposed boobs. She suddenly got up and shouted out, "who is it?" I replied daringly, "It is me, Ravi." She tidied up herself and scolded me, "Ravi, you mean! How dare you touch me? Don't you know how to behave with a married woman? You are a paid servant. Don't cross your limit. And why you stopped the car alongside the highway?" I boldly replied, "yes! I am a servant. But I am man and you are a woman right now. My conscience doesn't allow me to insult your beauty. I want to love you in this lonely night. Give the chance to fulfill your long awaited desires and satisfy your sexual appetite." And I put my hands over her breasts. She threw them away and asked me with a shivering voice, "How do you think of a woman who already belongs to someone else?" I said, "it is really fun for me to pass nights with others' wives as they are experienced in bedroom games." She tried to escape but the doors were already locked. She had no other option but to surrender. I opened the door and joined her on the backseat. She requested me to leave her for god's shake. But when I grabbed her plump, round breasts and pressed tightly over her tops, she could get the idea that she was going to be fucked in the car in the lonely night. She shouted for help; but her voices could not reach out. It got mixed with the air within the car as I had already locked the doors and closed the window panes also. I was really hot and my temperature was soaring high. I captured her and grabbed her firmly putting my arms around her back. I forcibly made her lay on the backseat and in no time I was on top of her with my mouth pressing against her. My legs were busy mingling with those of her. She was trying to shout and push me away with her hands. But she failed. Her sounds were muffled in her mouth itself.

I rolled over her. I kissed her forehead, eyebrows, cheeks, earlobes, nostrils. I also kissed her neckline, the cleavage, the armpit etc. I continued it for over 20 minutes and her face was wet with my saliva.

She could hardly offer any resistances to throw me aside. I continued kissing her passionately with my hot lips until she was ready to be fucked and her breathing got quickened and deeper. My tongue was invading her mouth and "Mmmppphhhh"; it was very exciting for me. She took interest in me. When we looked at each other, she realized the lust in my eyes for her. She was getting hotter gradually and was moaning like ohhhhhh.. aaaaaaaa.. I was getting excited and moving my hands on her breasts over her tops. I was pressing them tight and flat. The top 2 buttons of her tops had already been undone during this course. I could view the bra and swells of her breasts and were able to drive any man crazy. I kissed those parts as they were irresistible for me. I moved my hand to the back of her head and released her hairs from the rubber band. She looked like a sex goddess. My legs were ragging her legs. I lowered my eyes to her boobs and got a long view of her cleavage. I pushed my head between her big mounds and rubbed my nose against her cleavage, licked it along her neck. She gasped out ?Nooooooooooooo oooooooooohhhhhhhhhhh!?

I knew I was getting control over her slowly and nicely. I was pressing my mouth against her and my hands on her boobs. She knew I was so strong that she would never be able to free herself from my powerful grip. I slid her tops off her shoulder. I peered at her thin red lace of semi transparent bra with the imprint of her hard nipple protruding through it. I covered her breasts with my hands, now on the outside of my bra. I found the hook in the front. My hands moved to it. I was going to unfasten her bra!!! "NO, Ravi, NO.....PLEASE don't Noooooooooooooooooooooo.....", she yelled out and urged me to kiss her and pound her breasts. I clutched and squeezed her breasts for several minutes. It really felt phenomenal! She was breathing even deeper now. I was successful turning her on. She told me to wait for a minute and opened her tops all the way down and slipped her hands out of it. In a minute my hungry mouth was pressing against her cherry red lips and my hands were kneading her breasts with brutality that she didn't know till her bra was ripped off her body in a moment and I started twisting her nipples. I put my palms over her entire breasts and made large slow clockwise motions, moving it with my hand as exactly as I had seen in blue films. I flattened them gently and then pulled her nipples again. Oh, it was really a nice experience, particularly when I pulled her nipples! She shrieked out Oooohhhh.. oooooohhhhhhhhhhhhhhhhhhh.. Uhhhh..... and told me, ?Raviii!! You are great in turning me on. I was waiting for such type love. Love me honey, love me as long as you can! Let me enjoy the pleasure out of pain.? I moved my right hand down to her waist and then even lower. My fingers slid beneath the waistband of her panties.

I was molesting her at will as my fingers slid up into her. She began trembling all over and her breaths got deeper. My hand slipped into her panties and paused at downy pubic mound and every once in a while I tickled her pussy lips. My fingers touched her puffy outer lips and very lightly

examined their shape and texture. My fingers were slowly exploring her lips. I realized her getting wet! She moved her hips in different directions trying to get her genitals away from my hand. Her voice was almost a whisper and she could only grunt like. ?Nooooooooooooooooo? Ummm? Uuhh.. OOO.. UUU..? My fingers slid between her lips and found her tingling clit, very gently massaged it while my mouth was engaged sucking her tits and the other hand pinching her brown nipples. When I very slowly moved my fingers in and out...in and out....in and out.... Involuntarily, she spread her legs wider and rotated her hips forward and backward in rhythm with my finger. I moved down and to her smooth thighs and licked it. I moved my tongue on all over her legs from toe. Now it was not possible for me to fondle her anymore. She ordered me to get inside of her immediately. I started twisting her nipples while fumbling with my clothes. Her body looked like a sculpture when I peeled her clothes off. My uncut erect black cock was almost 8? in length and as thick as her wrist. Her pussy got wet just looking at my cock. She told me that it was not possible for her to bear a long, thick cock inside her as she was a virgin till now and had never been fucked by her husband since her marriage. I told her that I would easily make way through her pussy and would go inside her, deep inside her. She pulled her trousers down and then her lacy red panties too. Her cunt was smooth shaven and now it was glistening with her juices. We had difficulty in settling on the small backseat since her legs were quite long. But I forced her on her back and doubled her elongated legs so that they fitted. Then I mounted atop her and started to kiss her mouth again. She bit my earlobes with joy and told me to enter my black thick penis inside her wet cunt. When I rammed my shaft with mushroom head inside, shescreamed as if she was being knifed. I slapped her and told her to be a quite; I pressed my hands on her boobs continuously. She was a submissive maid to the regains of a bull like me. She put two fingers on either side of her pussy and was pulling it apart, trying to take me in. She submitted her body to me and started to enjoy the way my thick cock was ramming inside her pussy mercilessly. She cried in pain and dug her nails in my back. I bit her lips quite hard and twisted her nipples. My balls now as hard as almost my cock were repeatedly slapping against her round ass cheeks. She was raising herself to meet my thrust and enjoying it. My hands were brutal on her breasts and her nipples felt sore by being constantly kneaded and twisted. Sonali bhabhi was moaning aaaawww, aaaawww, aaaaah, aaaammaaaa... Oooohh, aaaaaiiii, aaaaahhh, rrrraaaaaajjjj, aaaahhhh, slow. Our car was vibrating with our body?s violent coupling.

After a few minutes I raised her left leg on my shoulder and started pumping her while sitting on knees. She was grabbing the car handle to control and moaning. She didn?t know whether she wanted to scream, moan, cuss, or thank the Lord. She pulled me down on her again since she enjoyed the feel of my hard dark sweaty body rubbing against her fair skin and plump breasts. We went on for some 20 minutes during which she came 3/4 times. After wards I wanted to all out at the last moment but she did not allow it. Her cunt was hungry for a man's juices. At last I cummed inside her with a loud scream ahahahahaha... and as it got pushed against womb Sonali bhabhi really screamed ?aaaaaaahhhhhhhhhhh Raviii!? Pleasure ran through her whole body. I was exhausted; but she still wanted more. As I was pulling out my cock, we peered at each others? private parts. She

told me she wanted to suck my long black cock. I sat leaning against one side of the car and I placed one of my legs stretched along the seat and the other was touching the floor. Sonali knelt down on the floor and took my cock in her hands and fondled it. In no time, my huge monstrous cock stood out straight pointing at Sonali bhabhi. The first thing bhabhi said is "Oh my God! It's so big?". I said, "Don't worry! Nothing will happen, you will enjoy it?". Then what followed was the most surprising thing to me which I never expected to happen. Bhabhi closed her eyes and I ran my hand through her hair and cupped the back of her head and pushed my huge cock against her lips, I heard bhabhi say, "mmm... Mmm... Mmm.... No please mmmm..?" And then with one firm push I could see her open her mouth and my huge tool enter her mouth. It was great and I let away a loud moan and kept my cock in her mouth. I could hear voices of mmmm....mmm... It was wonderful to see her lovely lips warped against my monster cock. I could feel the head of my cock push against the back of her throat. I guided her face to my huge balls. She took each of them in her mouth for about a minute and then I again put my cock near her mouth. She eagerly wrapped her fingers around it and began to pump slowly with her hand. She enjoyed its swollen mushroom shaped head, its long hard shaft, and the tuft of rough hair at its base. Then she rose up to the seat and lay on her stomach. She made her hands busy sliding up and down on my hard rod. Taking my massive cock in her hands, she moved it to her mouth, opened her lips and slide them over my swollen purple head and began sucking it like a Popsicle. She relished the moisture on its tip. She savored the musk of my shaft. She sucked hard the rim of my hot rod.

Meanwhile I was running my hands over slippery back and round hips. I could touch the curvy area of her butts. I then leaned forward and showered kisses on her back and hips. I stretched out my middle finger and inserted into her asshole. She grunted like anything and let out a moan aaaah, aaaah!!! I dragged her toes, held it both hands and kissed her feet, bit her fingers one by one. Cupping my balls in her hand, she squeezed them gently as she licked down my long shaft and then lick each fuzzy ball, one at a time. She took a ball into her mouth and sucked it. All the time her hands were massaging my firm butt. She placed my dick in her mouth again and sucked as hard as she could. "Oooohhhh?", I yelled out. She was literally screaming saying ouch.. its painig no... when I put my hand around her bare waist and fingered her pussy and asshole simultaneously. Finally I Cummed and s shot my load down her throat which further intoxicated her. Again I tilt her and came over her. I placed my face very close to her pussy. I tickled it with the tip of tongue and she wriggled her body out of ecstasy. I opened her pussy by holding the two lips with my thumb. I licked from bottom to top several times along the pink path. I pinched the clit. My tongue is moving deeper and deeper. She was moaning like ohhhhhh. Haaaaaaaaa... And she was pressing my head towards her pussy. I was licking the pussy like fucking it with small jerks on clitoris. I could feel the aroma of her pussy out of wetness. After some time she pulled out some cum from her pussy. I ate it and cleaned totally. She could not able withstand me for long time. She said that she wanted to suck my dick again. But I didn't want to leave her pussy as it was so tasty and amazing. So, we decided to go for 69 positions. She was on me. She was sucking my dick while I am enjoying by licking her pussy from down. My

though tears came out of her blue eyes.

I continued banging her for 20 minutes and cum inside her asshole. She licked the rest of the cum which was dripping from my cock when I pulled out. She cleaned with her tongue. Now she was happy and told me to return home. She cancelled her visit to her mothers?. We dressed ourselves neatly as if nothing had happened I was not able to drive. So she drove the car back to her place and was playing with my shaft like the gear all the way long putting her hand inside my jeans. When we reached home it was 5 O'clock in the morning. Her husband could realize what had happened. The next morning she offered me a steaming glass of milk with cashew to drink. She told me that she had been revitalized with my scum. I could notice her toiter and walk bowlegged. Thereafter I used to enjoy each other when we got time. We even used to sneak to the yard and I fucked her under the open sky.

Anyway! That was a wonderful and memorable night in my life. Both of us enjoyed ourselves to the extreme. Do write to me your comments. I am available at rabi@oneindia.in .
