Ann's husband had wanted to see Ann with another man for the last few years. He yearned for the day he could see his beautiful wife of more than 30 years being fucked by another man. Ann's husband knew Ann wasn't getting any younger and the time left for his ultimate fantasy to come true was slowly coming to an end. He was desperate at this point and would do whatever it took to see Ann with another man. There was just one big problem Ann's husband had, and that was that Ann wanted nothing to do with the idea of it. She was just content to live out her life like she did over the last 30 years. She had a very nice career along with being a mom. Her thoughts were all about retiring in a few years and not being involved with her husband's crazy idea. Her husband was still lucky as Ann still loved sex very much, and at the age of 53 Ann still had a very attractive body. She was 5'4 and 125 pounds and looked much younger than her age. Ann's husband didn't let it go as he brought up other men in the bedroom all the time. He had noticed that Ann's orgasms were so much stronger every time he brought the fantasy of a young stud with a big cock fucking her. He just had to find away for another man to seduce his wife of more than 30 years. Ann's husband was about to throw in the towel when he came across an add for a personal trainer. Matt had been a personal trainer for the last two years and decided to go on his own. At 21 he was young handsome and had the charm that a lot of women loved. Ann's husband thought if there was any chance of his 53 year old wife being seduced it would be with Matt. He called Matt and told him what his fantasy had been. He wanted Matt to help him achieve his goal of seeing his beautiful wife with him. Matt had been with several women in the past including a few women who had had trained, but Ann was way older than any of them. The oldest woman he had ever fucked in the past was around 40. He wasn't sure he wanted to even try until Ann's husband shot him a pic of her. He was pleasantly surprised at what he had saw as Ann stood there with just a bra and panties on. He loved challenges and this was certainly going to be a tough one for him. He quickly accepted Ann's husband proposal. He was to be paid very good money for training her, but also he would get a substantial bonus if he could seduce Ann into fucking him. It was agreed upon that Matt would train Ann twice a week at the house. Ann seemed very happy at what her husband had done by getting her a personal trainer. She had thought about it in the past, but had never acted on it. Ann needed some kind of workout clothes. She really had none so Ann's husband took Ann to the store and had her buy a workout outfit. It was black outfit that was very snug on her body. Ann's husband went almost nuts as Ann went home and tried on the

outfit. It was absolutely perfect and now it was up to Matt. Their first workout session was mainly about getting to know each other. Matt knew he had to gain Ann's trust or he would never be able to fuck her. Ann's husband watched from another room as Ann came in with her tight sexy outfit on. Matt noticed it almost immediately as he stumbled over his first few words to her. They mainly chatted for the first half of the session as they seemed to be hitting it off with each other. Ann was somewhat surprised to find out that Matt was only 21, but she figured that was ok. The second half of the session Matt had Ann do some stretching as Matt had her moved into several different positions. Ann's husband watched on as he wanted to see Ann fuck right there on the floor, but Matt knew it was going to take time. The next session began again with stretching as Matt helped Ann several times extend her legs and arms. Ann's husband watched on in seclusion as he watched Matt touch his wife for the first time. There would be no seducing his wife as Matt waited patiently for the perfect opportunity. The next few sessions Matt's hands slowly worked closer and closer to Ann's breasts and butt. Ann seemed much more relaxed as she was starting to enjoy the attention beside the workouts that Matt had given her. A week later Matt had Ann now working out on the Nordic track machine. He had Ann lay on the bench while he stood over top of her. He helped her as she did several bench presses. His shorts hung only inches over top of Ann's face as she did her presses. He had her turn over onto her stomach as he had her do some hamstring curls. Her tight butt was right in front of Matt as he ran his hands across her hamstrings. Ann's husband was going wild as he fantasized about Matt fucking the hell out of her as he stood in seclusion. The next day Ann's husband chatted with Matt. He wanted Matt to go for it right now. He was so horny he couldn't think about anything else, but watching his beautiful wife being fucked by a young stud that was more than 32 years younger than her. Matt was on his own time frame as him and Ann's husband began to disagree on different things. Matt was now becoming more irritated by Ann's husband. As their call ended Matt said to Ann's husband, "I will fuck her! I may or may not let you watch though!" Ann's husband immediately apologized as he began to beg Matt to let him watch. Matt now could see he had control over Ann's husband and that turned on Matt even more that he could control Ann's husband at the same time. It was now a question of getting his wife Ann in that same position. He knew it was just a question of time. The next workout started the same way as he had her do all kinds of stretches as Ann's husband watched from the confines of another room. They then went back onto the Nordic track as he had her do some more bench presses. He increased the strength as he again stood over top of her as she laid with her back on the bench. His shorts again almost hung down to Ann's face, but there was something totally different this time. Matt had no underwear on underneath them as Ann was able to catch a glimpse up inside them. Her face began to blush as Matt's big balls were now in full view as Matt squatted down over top of Ann. She got a good look at each of them as they were only a few inches from her face. Then to her amazement the head of Matt's cock now appeared from underneath his shorts. It hung down dangerously close to Ann's mouth as he again to squat down as he helped her with her routine. Matt knowing his cock was showing looked down at Ann's face to see if she had noticed. There was no doubt she had noticed as her eyes were glued looking right at the head of his big cock. He slowly lowered himself down farther on the bench until his shorts were right

at Ann's mouth. The head of his cock extended out underneath as it started to harden. His shorts now came in direct contact with Ann's mouth. As the head of his cock touched Ann's beautiful lips Ann slowly opened her mouth and began to lick the head of Matt's cock. Matt now was ready to make his move on this beautiful 53 year old. She was about to be taken for the first time in her life by another man. He lifted her up off the bench and carried her 125 pound body into the bedroom. Ann's husband followed closely behind, but was rebuffed when he reached the bedroom door. Matt had locked the door leaving him and Ann all alone inside the bedroom. Ann's husband began to plead with Matt to let him into the room. He had waited years to see his wife being fucked by another man, but it wasn't to be as Matt wouldn't budge. Matt laid Ann down on the bed and crawled on top of her. He looked right into Ann's eyes as he reached down and yanked her workout pants down off her. He then tugged his shorts down over his large cock as he worked Ann's panties down her legs. He wasted no time as he immediately pushed his large cock deep into her 53 year old pussy. Ann's husband was still positioned outside the bedroom door as he heard his wife cry out loudly. Matt began to fuck Ann slowly at first as he ripped off her top and bra. Ann's husband begged Matt to open up the door, but Matt ignored his request as he continued to fuck Ann. He fucked Ann hard with his large cock as she began to scream out. She was close to an orgasm as she heard her husband crying out at the door. There was no stopping Matt now as he gave Ann several hard thrusts with his cock. He pushed her over the edge as she let out a howling scream. Her husband could only listen from the door as his wife of 30 years started to cum very hard on this young 21 year old cock. All Ann's husband could do was drop to his knees outside the bedroom door and sulk. Matt quickly flipped Ann over onto her stomach. He grabbed Ann's hips and pulled his ass back towards his large rigid cock. He immediately plunged his cock back into her from behind as she let out a loud cry. Matt began to fuck Ann very hard. Ann's husband could only dream about what was going on in the bedroom as he heard his wife crying out as he heard Matt's body banged up against his wife's ass. A few minutes later Ann cried out as she started to orgasm again on Matt's big cock. Her body was so weak that she crashed flat onto her stomach. Matt didn't miss a beat as he continued to grind his cock into Ann as she laid flat on the bed. A short time later as Ann let out a continuous moan, Matt said out loud to Ann's husband, "I am going to cum all over your wife's ass! I bet you love to see it! I will let you in if you want to clean my cum off your wife's beautiful ass! Do you want to lick it clean?" Ann's husband cried out, "Yes! Yes! Please Yes!" Matt grunted out loudly as he announced he was ready to cum all over Ann's ass. He yanked his cock out of her as he began to shoot several streams of cum all over her beautiful ass. Ann cried out as Matt's cum covered her tender ass. Matt then opened up the door to the bedroom so Ann's husband could see his worn out wife laying on the bed with cum covering her pretty ass. "Lick it up! I want you to clean your wife's ass off with your mouth!" Matt demanded to Ann's husband. Ann's husband walked over to the bed and looked down at his wife's ass. Matt being only 21 had cum a significant amount all over Ann's ass. Ann's husband crawled on top of the bed and slowly lowered his head down his wife's lovely ass. He slowly began to lap up Matt's cum that covered her ass as Matt watched on. He quickly demanded that Ann's husband lap it all up off her ass. It only took Ann's husband a few minutes as he cleaned his wife's ass off with his mouth. Matt's

cock had harden as he wanted to fuck Ann again. He ordered Ann's husband back out of the room as he locked the door back behind him. Ann's husband was again regulated to guessing what Matt was doing to his lovely 53 year old wife. Matt grabbed a hold of Ann and pulled her on top of his big cock. She used whatever energy still had in her body as she slowly sunk herself down onto Matt's big thick cock. Matt began to pumped his cock up into her as she began to moan out loudly again. She road on top of his cock very hard as she started to get a second wind. She bounced her 53 year old body up and down on Matt's big cock until she moaned out into a powerful orgasm a short time later. She cried out loudly as her hubby listened at the bedroom door. He was desperate to see what was going on in the bedroom as Matt fucked her. Matt rolled her onto her back and began to pound Ann's pussy hard. Her cries radiated throughout the bedroom as her lonely husband listened at the door. Matt gave all he had as Ann's older body excepted every inch of Matt's cock. She came again a few minutes later as her orgasm just went on and on. Matt didn't let up for a second as he continued to pound Ann into the bed with his big cock. Matt was ready to cum as he asked Ann's husband, "Do you want to see me cum into your wife's mouth?" "Yes! Yes!" Ann's husband cried out at the door. Matt opened up the door to let Ann's husband in. As he opened up the door Ann's husband could see how hard Matt's cock was. The veins in it were popping out as it was ready to explode. Matt then went back over to the bed were Ann was still trying to regain her composure. Matt pulled Ann's face off to the side of the bed. Her face hung over the side of the bed as Matt inserted his cock right into her lovely mouth. He rammed inside her mouth for a good minute when he began to grunt out loud. He started to fill Ann's mouth with his cum as Ann's husband watched from only a foot away. Ann gagged on his cum as several shots of it slid down her throat while the rest of it dribbled back out of her mouth. Matt got dressed and said to Ann's husband, "I will be back next week for our next workout! Wait to see what I do next time!" as he left the room. Ann's husband could only wait until their next encounter. He hoped this time Matt would let him watch!
