This all happened by accident one day as my wife and I had visited the home improvement store. We had been checking on prices as we wanted to change out our carpet in our home. We were in their flooring department when a young gentleman walked over to help us. He introduced himself as Matt and began to show us all the different styles of carpeting they had. He said he had been working in this department for the last two months. He laid out several choices of carpeting down on the floor so we could feel and see how durable they all were. My wife was very particular on wanting a certain style of carpeting so she checked out each remnant very carefully. At one point my wife bent over as she felt each individual piece for its texture. I noticed that Matt our salesman had his eyes glued in on my wife's ass as she bent over in front of him. He stood only a few feet behind her as she felt each individual piece of carpeting. My wife then got down on her knees as she wanted to know how thick the carpeting was. Matt also crawled down onto his knees so he could show her what the differences were between all of the samples. Matt's face was only about a foot away from my wife's breasts as they stood out right in front of him. He couldn't help but notice how beautiful her breasts really were. We worked with Matt for about a hour as we decided to go home to think about the different choices of carpeting. My cock was hard all the way home as I asked my wife, "I noticed that Matt had been checking you out intensely as you bent over. He also looked down inside your shirt when you knelt down." "What! I don't believe you! Why would a young man like that want me." my wife shot back. That night in the bedroom my wife and I had the most intense love making session in a very long time. I had my wife role play the thought that Matt was fucking her. She had one of the most intense orgasms of her life. The next day my wife was still very horny and wanted more sex. The thought of this young guy fucking her hard had her wanting it even more. I then came up with a solution.. I asked her, "Why don't we make it a reality. I can go talk to Matt at the store and see if he would be interested." "Come on! He is only a teenager! He probably wouldn't want a 48 year old woman like me." she quipped out loud. "The thought of you fucking him really turns me on! Why don't we see what happens. It certainly can't hurt to ask." I said. Later that afternoon I went back to the store to see if Matt was working. I was in luck as he stood stocking merchandise down one of the isles. I quickly pulled him aside and asked him, "Matt, I seen you checking out my wife yesterday as she bent over

looking at the carpet samples.“ Matt was sacred at that point as he said, “I am sorry! I didn’t really mean anything by it. Your wife is very sexy and a young guy like me would love to be with a woman like her..” “Its alright! I wanted to know if you would be interested in fucking my wife?” I said to him. “Sure I would be!” a relieved Matt shot back. I then gave him our address and told him to come over as soon as he got off work. I went home and told my wife how excited Matt was about the chance to fuck her and that he would be coming over in a few hours. My wife couldn’t believe that he was that interested in her. Her desires for him grew as we waited for Matt to arrive. The time went by very quickly as Matt arrived at the house. We chatted for a few minutes and I told him about our hot tub in the backyard. My wife went into the bedroom to change as Matt and I headed out to the tub. I already had my suit on as I told Matt that he could change down to his underwear and get in. We both sat in the tub as we waited for my wife. I was very surprised by the size of Matt’s cock as his wet underwear clung around his manhood. A few minutes later my wife walked out in her swimsuit. Matt’s eyes lit up as my wifegot intothe hot tub. We all sat and chatted for several minutes as Matt tried to hide his hard on from my wife. I asked Matt, “Would you like to see my wife without her swimsuit on?” “Sure!” he shot back. My wife stood up in the tub and pulled her swim suit top down over her gorgeous tits. Matt could no longer hide his huge hard on and at that point. My wife then grabbed her swim suit bottoms and pulled them down. She then pulled them out of the water and tossed them off to the side of the tub. Matt squirmed back and forth as his big cock strained against his underwear. My wife walked over to him and reached down and began to rub his cock with his underwear still on. She said, “Wow! Your cock is really big!” My wife then stood Matt up as she reached down with both hands and removed his underwear. Matt’s throbbing cock appeared and it was bigger than I had originally had thought. My wife looked him in the eye as she gently rubbed his massive hard on with her hand. Matt’s body tremble as my wife teased his big cock with her hand. She moved Matt onto the side of the hot tub as his throbbing cock stood straight up in the air. My wife then slithered her mouth down to his big cock. Shegently began to lick the head of his beautiful cock. She then ran her tongue up and down over his big shaft. Matt was going crazy now as his cock was throbbingback and forthas my wife teased it with her tongue. My wife then grabbed his big cock with her hand and slowly sucked on each of his big balls as she massaged it. Matt was enjoying every minute of it as my wife took her time with him. She then gently took Matt’s big throbbing cock and placed it into her warm mouth. Matt’s face had nothing but excitement on it as her mouth swallowed down his manhood. My wife told him not to cum as she worked his cock over. She loved sucking on his big cock as she sucked on it for several minutes. Matt now was on the breaking edge. He couldn’t hold on any longer as my wife slipped her mouth offcock and began to stroke on it. Matt moaned out as his cock erupted right in front of my wife’s face. His cum shot a good foot in the air as my wife stroke it harduntil every last drop of cum had emerge from it. My wife said to Matt, “Lets go inside. I need to be fucked!” We all quickly went into the bedroom. Matt’s cock was already hard again and ready for action. My wife laid down on the bed and pulled Matt down on top of her. “Come on Matt fuck me with that big hard cock! my wife demanded. Matt quickly pushed his big manhood into my wife as my wife cried out, “OMG! Your cock is so damn big!” Matt began to fuck my wife as she pulled his body as tightly against hers

as she possibly could. It only took Matt a few minutes and he had my wife screaming out as she came all over his big cock. A few minutes later my wife rolled over on top of Matt. She slid herself back down onto Matt's hard cock as she fucked Matt feverishly. She then cried out again loudly as she came very hard again on his cock. She then spun herself around on Matt's cock. She rode on top of his cock very hard as Matt grabbed both of her tits with his hands. She fucked him hard for several minutes as Matt's orgasm began to build. A few minutes later she quickly slid off Matt's cock. She grabbed his cock with her hand and began to stroke on it as she moved her mouth down over the top of it. A minute or so later Matt moaned out as he began to cum. His cock was still in my wife's mouth as I watched his cum slide down out of my wife's mouth and down the shaft of Matt's cock. After a small break Matt's cock came back to life. That is the great thing about being 19. My wife wanted him to take her from behind as she crawled up on the bed on all fours. Matt quickly plunged his cock back into my wife from behind as she moaned out loudly. He fucked her good and hard as my wife's body jerked with every thrust of Matt's cock inside her. Later she screamed out, "Fuck me hard Matt! Fuck me!" Matt pounded his big cock into my wife from behind. My wife's cries echo all across the bedroom. "Harder! Harder! You are going to make me cum again!" she screamed out. My wife screamed out a few seconds later into a powerful orgasm just like the one she had the night before. Her body shook and trembled for several minutes. My wife begged Matt to cum inside her as Matt gave it all he had. My wife moaned out, "Oh' God! Oh' God! Man, your cock is so good!" My wife started to cum extremely hard again as Matt began to fill her pussy up with his cum. My wife at this point was totally exhausted as she crash down face first onto the sheets. Matt stood over the top of her as he squeezed several last drops of cum down onto her ass. What a night it was. I am sure Matt will never experience another night like this for the rest of his life. I know my wife won't either.
