Cop N' Pussy Part 2 I had been taken to the police station by the highway patrol cop, with the sexy mouth, and cum fuck me eyes; his mouth and tongue my pussy had juiced onto out on the highway. My body is still throbbing from the explosive orgasm and had leaked onto the back seat of his patrol car. As he takes me into the station, I am feeling somewhat slutty and a little dirty. I sneak a look at his nametag - Patrol Officer Mike. "Can I have a shower and freshen up please, honey?" I say with a pouty look and a lick of my luscious red lips. He takes me to the showers and un-cuffs my wrists while handing me a towel, a bath sponge and tells me to strip. "I have to stay here and watch you, in case you try to escape," he says with a wink and a small laugh. "I can't get my dress off, can you unzip me officer," I ask smiling sexily. As his hand unzips my satin red dress, he caresses my skin down my spine sending sexual shivers all over my body, from my head to my toes. I turn around and move my dress slowly down giving him a strip tease. Undoing my lacy French bra, and sliding off my matching lacy knickers, showing him my tits and smooth shaven pussy, I throw them onto the floor; as I climb into the shower and turn around I see him stripping and throwing his cop uniform onto the floor. I gasp with pleasure at seeing his hard sexy body. "I told you I was going to make you my cum slut whore, and now you will do what I tell you; start by sucking, licking and mouth fucking my body cock and balls." The shower water is running down his body as I am soaping up the sponge and rubbing it across his hard nipples. I suck his right nipple into my mouth, my teeth scraping his skin, and I see his pussy fucker hardening as I move to the other nipple and suck it hard while massaging and playing with his chest. He puts his hands on my arse pulling me in closer while squeezing my bum cheeks. As he is sucking and kissing my earlobe, he is saying dirty things in my ear... My pussy gives a spasm impatient to be fucked. The soap is getting foamy running down his sexy body, down his chest across his stomach, and between his legs. I get down on my knees running my hands around to his tight sexy arse kneading his bum cheeks, as my eyes roam all over his body. "Mmm," Keep going

don't stop, you fucking cum slut," he growls in that sexy voice. After poking my tongue into his belly button seeking honey, tasting honey, I move to his cock while my hands are still kneading and squeezing his arse cheeks. My tongue trails down his right side to the crease between his leg and cock causing him to tense, waiting. I give him a long luscious lick, feeling him shudder. As my hands caress down his legs to his knees enjoying the texture of his skin, I move my mouth to his left side and run my tongue between the crease and his cock causing him to tense again. I flick my tongue on his skin harder and I feel his hands in my hair. My pussy is throbbing with excitement and my juices are flowing. My lips lick and suck their way to his cock as my hand tightens around him, caressing him with soapsuds. I slide his cock into my mouth, and use my tongue to swirl around the nob probing and sucking. He groans and spreads his legs and leans back onto the shower wall, as he grips my head running his hands through my hair. "You love sucking cock baby, mm you sure know what you're doing with that cum slut tongue," he moans very loudly. My mouth sucks him harder, as I taste drops of his sweet pre-cum in my mouth. He moans and jerks as my teeth scrape his cock skin. He shudders from the slight pain and pleasure, while my mouth and tongue milk his hungry member. As my mouth starts its rhythm on his cock, I am sucking it in further until it hits the back of my throat; his cock is getting harder and ready to spew its sexy creamy cum. I increase the pressure as he arches his back trying to force his cock into my mouth deeper, needing to cum soon. I feel him throbbing, tensing. I look him in the eyes as I receive his sweet cream and show him my tongue before I swallow. He suddenly jerks with excitement, his cock is spewing his seed; his juicy cum flows in huge orgasmic spasms down my chin, down my breasts and between my legs. I use my hand to rub it all over my tits and between my legs. My pussy is ready, needing to be fucked by this very sexy highway patrol cop... His cock is still hard as he pulls me up off the shower floor, turning me around and grabs my hands holding them up on the shower wall. "Spread your legs cum slut, I'm not finished with you yet." As I feel his throbbing member between my arse cheeks, I gasp as he slides into my very wet slit. "Oh fuck you bastard, fuck me harder," I yell very loudly. I feel his prick on my tight pussy walls; he is sliding in and out making me very wet and juicy. He takes his cock out of my throbbing pussy lips, which is thoroughly lubed with my juice and slides it in slowly, into my virgin arsehole while squeezing my tits and frigging my clit with his hands and fingers. "Oh fuck that feels soo good honey" I moan and groan. I was coming very loudly from the thorough fucking I was receiving from the sexy highway cop. I had been arrested for speeding and lewd behavior... I am now being fucked rudely in the shower and making lots of noise, when there was knocking on the door; as it burst open an officer barges in to investigate. "What the fuck is going on in here, we heard lots of moaning and groaning," he yells as he is pointing over his shoulder at - Search and Rescue. Fuck! I am hot and wet, moaning and groaning for more. I see them lined up outside the door, along the wall. Oh god, my pussy gives a spasm; throbbing with pleasure, as the highway cop is jerking, spewing his cum into my very wet arsehole. "Who called those pussy lickens, we don't share fucking information," he is shouting. I cannot stop moaning from the pleasure of the highway cop with the throbbing cock, as I am being fucked thoroughly. Oh, fuck me, sexy men in uniform again... That's another fucking story...
