Hi everyone it's me again, Exakta66. I have another confession to make. I know you've heard this before, but this one is big. Are you ready? I am on a sex fantasy website. Oh yes, believe me. I know it sounds filthy and perverted, but really it's not that bad. Believe me, you should try it sometime. Anyway, I know you've heard it before, but I enjoy reading the stories for the most part. I've even written a couple, OK thirty-four, of my own. I think it has improved my writing skills and has provided me with hours of fun. I find most of the stories interesting, but not always all that arousing. As I've mentioned before, in general I only find the girl on girl and girls with toys stuff arousing. OK, maybe a few other things. I really don't find reading about sex acts all that arousing for the most part. Same for me when watching porn and I know from reading here that I am not the only guy that fast forwards to the girl on girl parts. So, I really don't always have huge expectations in that area when I log on. The other thing I really don't expect is to meet anyone on the site. I know it is not a dating site. I am a member of an Internet dating site. Actually two, but who's counting. So, that was never an expectation. I have to say I enjoy the messages and the chats with the girls on the site. Most I have met are very friendly and nice. They write some hot stories as well. But I never really had the expectation of meeting anyone. Certainly not for sex. So, when the subject of cybersex came up in a couple of chats, I literally laughed it off. I mean cybersex? Sounds like an oxymoron. I think computers suck most of the time, but not in a good way. I have a hard time saying computer and sex in the same breath. Let's face it, I am a 48-year-old man. I am a bit old fashioned in some ways. The fact that I can even use a computer is amazing. But sex to me means being in the same room with another human, a girl by the way, and that is that. If I don't often get aroused reading about sex acts, I am certainly not going to get anything out of typing some conversation on a computer screen. Right? So when yet another girl mentioned that she liked to cyber in a recent chat, I laughed it off yet again. It had been brought up to me in chats with girls before, but I never took it serious. I could not even have imagined myself sitting there in front of a computer with a straight face and attempt to cyber, as they call it. When the subject came up, I usually tried to change it. It is not like I am not easily aroused. Heck, I can snap to attention faster than a group of cadets when a five star general walks

by. But only with a real live girl in the same room, or so I thought... So, when I started chatting recently with a new girl, it just seemed like more of the same. ClassyLady made it clear she was into cybersex. I told her in our first few chats how I felt about it. I thought it was a joke, seriously. I repeated my feelings in our next couple of chats. But this girl was not the type to take no for an answer. She set out to seduce me, being the sexy seductress she is. Hell, it was more like rape. Let's see if I remember how the chat went. I may have to refer to the transcript I mailed myself. Oh yes, it went something like this. ClassyLady: Hi. Exakta66: Good morning. Exakta66: Hanging out on the sex site again, eh? Exakta66: How is your story doing? ClassyLady: Have not done any more on it but have made notes for a couple of others. ClassyLady: It is nice to chat with you. Exakta66: I usually finish a story in the same day once I start. Exakta66: And thanks, nice to chat with you as well. ClassyLady: I respect your honesty with me. Exakta66: I like honesy. Exakta66: I mean honesty. ClassyLady: Me too. Exakta66: Even if it's not always what I want to hear it is better in the long run. ClassyLady: I was talking to someone earlier and he was pressuring me to be too personal and I didn't like that. Exakta66: You will find all sorts here. I have heard a lot of stories. ClassyLady: I am lucky I found you to talk to. Exakta66: Guys can be aggressive. I don't have any expectations of the site other than a fantasy site. Exakta66: The chat is nice, but I don't expect anything. If someone wants to get personal fine. But I can't expect that. Exakta66: I've heard some guys won't even chat unless it is about sex. That seems stupid. ClassyLady: He was wanting me to explain things about my body and me personally in detail. He wanted to know everything. Exakta66: LOL. ClassyLady: It was not nice. It was very rude. Exakta66: I agree. ClassyLady: I will say some stuff but as you say this is a fantasy site. Exakta66: Yes this is a fantasy site. Exakta66: I have heard of people hooking up but everyone I chat with seems so far away. I don't expect that. Exakta66: This is not a dating site. Exakta66: I am on a dating site. ClassyLady: You are on a dating site? Exakta66: Yes, singlesnet. Same screen name. Exakta66: Same pictures I am sure. ClassyLady: I thought you were in a relationship? Exakta66: No, not really. Was with a girl for seven years but she died in 2006. ClassyLady: Yes, you said. Exakta66: Have not been in what I would call a serious relationship since. Exakta66: You in a relationship? Don't recall you saying. ClassyLady: Yes. I am in a committed relationship. Exakta66: Good for you. Exakta66: I would say most people I have met on here are married, but not all. ClassyLady: I love him very much. Exakta66: Lucky man. Exakta66: And lucky you. ClassyLady: He knows I chat here. Exakta66: I don't think there is anything wrong with exploring fantasies here. ClassyLady: No, not at all. Exakta66: I am sure he knows that. Better here than in the corner bar. ClassyLady: Lol. Exakta66: This is a different outlet for me. This whole fantasy thing is new to me. Exakta66: I am amazed at how much I came up with in my writing. ClassyLady: He knows I would never cheat on him in reality. Exakta66: He truly is a lucky man to have you. I am sure he realizes it. ClassyLady: He also knows I have a hot mind and a lot of sexual thoughts to explore. Exakta66: A hot mind is a good thing! Exakta66: A hot woman with a hot mind. You can't beat that. ClassyLady: But I am full of love and hot thoughts. Exakta66: That is a real good thing. Exakta66: Believe me. ClassyLady: Would you give me a hug? Exakta66: Yes I could do that. That sounds good. ClassyLady: Put your arms around me. Exakta66: I will give you a big squeeze. Exakta66: You

rhythm ClassyLady: I'm reaching new highs Exakta66: You are squirming uncontrollably under my tongue and mouth ClassyLady: hips gyrating Exakta66: I have to bury my face in you to keep up ClassyLady: orgasm follows orgasm Exakta66: I feel your hairs and your juices entering my mouth and nose, it is delicious...you taste soooo good ClassyLady: WOW Exakta66: Hey Exakta66: Was it good for you? ClassyLady: Oh yes! ClassyLady: u? Exakta66: Oh yes! ClassyLady: mmmmmmmmmmm Exakta66: I think I need a break. Exakta66: For a moment. ClassyLady: I see ClassyLady: too hot for you??? Exakta66: Not used to it. Exakta66: But I like it. ClassyLady: I'm glad. Exakta66: Not used to describing everything. Exakta66: But it is good. Exakta66: Really. ClassyLady: I hope you aren't disappointed Exakta66: No, not at all. Exakta66: How am I doing? ClassyLady: it makes it feel real I think Exakta66: Much more than I would expect. ClassyLady: you are great!! ClassyLady: Really hot!!!! Exakta66: Thank you. Exakta66: I will probably get better. ClassyLady: I don't want to pressure you into anything Exakta66: No, not at all Exakta66: Just not used to typing everything in real time. Exakta66: I sort of wanted to try this. Exakta66: but you had me at the neck kissing part and it gets hard to think! lol. ClassyLady: sometimes I think its nice to put your true feelings down and bring something to life Exakta66: agreed I am starting to think at this point of the possibilities. I want to try something. Exakta66: Can I kiss your toes? Exakta66: You have such pretty feet. ClassyLady: I felt really good ClassyLady: mmmmmmmmmmm that's nice Exakta66: I hold your ankles and lift your foot to my face Exakta66: I take my tongue and delicately stroke the bottoms of your toes, one by one ClassyLady: that sends tingles up my spine Exakta66: I kiss each toe one by one. Exakta66: I take each one in my mouth and stroke it with my tongue ClassyLady: I smile at you. Exakta66: I rub your foot while I do this paying attention to your arches ClassyLady: Feels soooo good. Exakta66: I massage your foot with my thumbs ClassyLady: I feel so relaxed Exakta66: you emit soft moans of pleasure Exakta66: I suck each of your toes harder Exakta66: I kiss the tops of your feet and then start working my way back up your legs ClassyLady: leaning back just enjoying you pleasuring me Exakta66: I want to kiss every inch of your body ClassyLady: my whole body feels the pleasure Exakta66: and if I miss a spot I want you to make me start over again Exakta66: I glide my tongue up from your feet to the insides of your legs ClassyLady: electricity running through me Exakta66: I work my way up your calves one at a time holding your legs firm in my hands ClassyLady: My legs open up. Exakta66: When I get back up to your thighs, I massage them firmly with both hands as I kiss and lick every inch ClassyLady: breathing deep. Exakta66: I take the skin of your inner thighs and pinch it delicately between my teeth ClassyLady: ooooooooooooo Exakta66: I do this all the way up working back to your womanhood once again Exakta66: I take my time, doing it very slowly ClassyLady: the slower the better ClassyLady: moaning louder now. Exakta66: Your moans increase in intensity, as your pleasure is obvious ClassyLady: feeling quite wet Exakta66: I work up to the area between your pussy and your butt. I work the area hard with my tongue as I hold and massage your thighs ClassyLady: desires growing. Exakta66: I softly tease the hairs of your mound as I take in your delicate scent. You smell so good ClassyLady: your touch makes me wild Exakta66: I squeeze your hips as I again kiss the whole area around your wet pussy ClassyLady: I have no control over my increasing wetness Exakta66: I pause for a moment to bask in the scent

then slowly kiss and lick your whole area. The taste is delicious as your juices start to drive me wild  
ClassyLady: my body succumbs Exakta66: I lap them up like an animal at feeding time ClassyLady: my juices flow. Exakta66: I don't want to miss a single drop of you ClassyLady: more and more.  
Exakta66: your juices flow like they threaten to drown me and I want to drown ClassyLady: take me my love. Exakta66: I lift my head for a moment Exakta66: I take off my shirt and throw it aside  
Exakta66: I remove my shoes and pants Exakta66: You admire the bulge in my underwear  
ClassyLady: getting impatient. ClassyLady: screaming for you now! Exakta66: I remove my underwear and throw them in the pile ClassyLady: NOW!!!! Exakta66: you reach out and touch the head of my stiff cock and give it a rub Exakta66: it feels so good. Exakta66: I insert the head in your wet folds ClassyLady: I lift my legs high. Exakta66: I tease your wetness for a moment ClassyLady: hook them over your shoulders Exakta66: then I slowly insert it as I feel every inch of your tight wetness engulf me ClassyLady: deep deep Exakta66: It is comforting and feels so good like your embrace Exakta66: I push it all the way in as I lean forward over you ClassyLady: we are as one. Exakta66: I take your hand and kiss your palm and you giggle Exakta66: then we lie back and relax ClassyLady: satisfied. Exakta66: oh yes! ClassyLady: how did you feel? Exakta66: nice. Exakta66: I get aroused, but then I sometimes lose it when I have to think what to type ClassyLady: Did it feel real? Exakta66: at times. Exakta66: This is new to me Exakta66: but then I come out of it when I think too much what to type ClassyLady: good.
