Wanting her boyfriend to turn the sexy blonde down, but praying he bent her over and made her scream

Ashley and her boyfriend of a year were your average couple. Jake, her boyfriend, had just been laid off work and Ashley was a receptionist at a small dentist's office. Struggling to make ends meet they decided to bring in a roommate for a bit of extra cash. Finally, after a hot and sticky hour long drive through peak hour traffic, Ashley walked through the door of her home. Immediately she felt the cool air from the air con all over her body. "Babe, I'm home!" she called out to Jake who'd no doubt be in the shed, or his 'man cave' as her boyfriend liked to call it. Walking into the living area, Ashley was shocked to see Jake standing there with a gorgeous blonde. Blue eyes, perfect pouty lips, deep natural tan and curves in all the right places. It's fair to say, Ashley was feeling a little self-conscious standing there in her frumpy blazer and below the knee length skirt. Ashley wasn't ugly, she was attractive with shoulder length dark brown hair, athletic body and average sized tits. "Hey baby, Rhiannon came around early," Jake said, referring to the gorgeous blonde. Our potential roommate. "Oh, hey." Ashley smiled at Rhiannon. "Hey, I hope you don't mind, I didn't realize how quick I'd get here," said the gorgeous blonde with a smile, exposing perfect pearly whites. Ashley forced a smile. "Not at all." Then she excused herself and headed off to the bathroom for a well needed shower. Peeling her clothes from her own sticky body she couldn't help but think about Rhiannon's. Those huge DD tits, that perfect stomach, the perfect ass leading to her long, perfect legs. Jumping into the shower, Ashley welcomed the cool water streaming down her body. Soaping up, she started thinking about what her potential roommate and boyfriend might be up to with her not in the room. Maybe I interrupted something when I got home, she thought. Oddly, Ashley could feel her pussy respond to these thoughts, sending chills through her body. What the fuck is wrong with me? She scolded herself. Finishing up, she rinsed off the soap and jumped out. Feeling refreshed, Ashley walked into the living room to Jake and Rhiannon in deep conversation about cars. Not wanting to feel left out she interrupted; "Have you two discussed rent and all the rest?" she asked. "Yep, Jake has filled me in and I can comfortably afford it," replied Rhiannon. "Oh great, and you know the room's furnished?" "Yep, works out well 'cause I don't have much furniture." "Oh good, well if you give Jake and I a few minutes to talk, we should have an answer for you." "No problem," smiled Rhiannon. Ashley and Jake headed to their room. "So, what'dya think?" beamed Jake. "Well it's pretty obvious what you think, so

if you're happy and confident she'll pay rent, then I'm happy," his girlfriend answered, laughing. "It's settled then," Jake said as they walked out to the living room to tell Rhiannon their decision. "Oh, awesome, thank you so much!" Rhiannon squealed, bouncing up and down, her tits about to fall out of her tiny black singlet. "I won't disappoint you guys." The three roomies sat down to discuss when she'd move in. "Well, I've only got a few bags and boxes, so if it's ok with you guys, I'd love to move in tonight!" Rhiannon said, a hint of weary in her voice. Both Ashley and Jake were fine with this, so Rhiannon left to go pick up her belongings. Ashley was in the kitchen cooking dinner when Jake came up behind, wrapping his arms around her waist. "You know how sexy you look when you get all hot and flustered?" he said, with that sexy smile. Jake was tan, with a stocky build, short dark hair and green eyes. Ashley sometimes wondered how she managed to pull him. "Not near as sexy as Rhiannon I'd guess," she responded, quickly regretting it when she realized she sounded jealous. "Babe, you're way sexier than her, if I knew you felt jealous of her, I wouldn't have said she could move in," Jake said, as he kissed her neck, hands rubbing Ashley's stomach. "I'm not jealous!" his girlfriend replied, not all that very convincingly. "Ok bub, whatever you say," he laughed. Sitting down for tea, the three chit chatted, getting to know each other. "So, what are you guys up to tonight, have much planned?" Rhiannon asked. The couple looked at each other. "Nothing really, kick about at home, few movies or something, what about you?" Ashley answered. "Nothing," Rhiannon said, with a pouty face. "Hey! We should have a few drinks, it being a Friday night and all, can't let it go to waste." The couple umm'd and ahh'd. "Oh come on guys, it'd give us a chance to get to know each other better." "What'dya reckon babe?" Jake asked his girlfriend. "I'm keen if you are," Ashley answered. "YAY!" squealed Rhiannon bouncing up and down again. Those tits, thought Ashley and Jake. It was 8pm and the new roomies were sitting on the lounge, drinks in hand, listening to music. Ashley kept catching Jake checking out and flirting with Rhiannon, thinking in his drunken state that his girlfriend wouldn't notice. By 12am, the three of them were pretty drunk, and all decided hit the sack. Saying goodnight, they went separate ways to their bedroom. Jake passed out instantly, snoring as he does when he drinks. Ashley was lying awake, fantasizing about catching Jake and Rhiannon fucking. She started rubbing her tits, squeezing her nipples hard, aching for her boyfriend's cock. Suddenly, Jake stopped snoring and stirred. Panicking, Ashley pretended to be asleep. "I need a drink," Jake muttered, climbing out of bed. Ashley caught her breath as she heard Rhiannon's voice. She sat up to listen. "Yeah, I get the dries too when I've been drinking," Rhiannon said. "So what are you doin up, isn't it past your bed time miss?" Jake teased. "I don't have a bed time," she giggled. "I just couldn't sleep, it's too hot." You're too hot, Jake thought, taking her in, the baggy white tee she was wearing, it was obvious she wasn't wearing a bra, the outline of her hard nipples poking out through her tee. Her long, bare tanned legs, leading up to her g-string clad ass. Jake could feel his cock growing hard, pressing against his boxers. Oh shit, he thought, praying she wouldn't notice, he begins to stutter excuses to leave. "It's ok Jake, I don't mind, I'm actually flattered," she assured him with a sexy grin on her face. "I don't know what you mean," he stammered, knowing full well she was referring to the very obvious, rock hard cock, standing to attention. "Jake, we're both adults. It's ok, really, I could even help you with that," Rhiannon said, biting her lip and glancing down at his member

now trying to break through his satin boxers. Holy fuck , thought Jake. Holy fuck , Ashley thought to herself, is this really about to happen ? Feeling mixed emotions. Nervous. Excited. And fucking horny. Not sure if she was ok with some gorgeous blonde fucking her man. She knew she shouldn't be ok with this, she should march her ass into that kitchen and tell this bitch where to go. But she didn't, instead she slid her fingers over her dripping wet slit, wanting her boyfriend to turn this sexy blonde down, but praying he bent her over and made her scream. What the fuck is wrong with me , Ashley asked herself. Jake hadn't said a word. He just stood there staring at this hot chick, leaning on the counter in his kitchen. Rhiannon slowly turned around, her back facing Jake, and slowly pulled down her panties, stopping at just below her ass, turning her head around and seductively biting her bottom lip, then dropped them completely, the black string hitting the floor. "Please Jake, come fuck me. I won't tell if you won't," she said quietly, bending over the counter. At that point, Jake couldn't take it anymore, thoughts of his sleeping girlfriend dropped with this sexy slut's panties. He walked towards her, dropping his boxers, he turned her around and forced her on her knees. "Oh Jake, it's so big, you taste so good," Ashley heard her roommate moan, letting out a quiet moan herself while one hand groped at her tits and the other explored her sopping wet pussy. "Ohhh god, fuck yes," Jake moaned. Hearing this almost instantly made Ashley explode. "You like that baby, how about you fuck my tight pussy now," the blonde said. Yes, thought Ashley, fuck her! Jake couldn't believe what was happening. Staring at the gorgeous girl on her knees, taking his cock into her mouth. He couldn't help but think she was born for this. Her perfect pouty lips wrapped around his hard member, taking in every inch. Looking up into his eyes as she playfully teased the end of his knob. Upon hearing Rhiannon's request he immediately grabbed her by the hair, pulling her up and sitting her on the bench. He pulled off her tee. Fuck me , he thought, taking in those huge DD titties, perfect hard nipples, he then took one into his mouth, Rhiannon let out a slight moan. He started to kiss his way down, then spreading her legs wide, exposing her pink, wet pussy. He started lapping at her, taking in the slight tang of her pussy juice. He then put in his fingers, licking her clit and fucking her with his fingers. "Jake, I'm going to cum, just fuck me." Jake then stopped, pulled her off and bent her over the counter. Rhiannon moaned as he teased her, his cock rubbing the entrance to her pussy now dripping with her juices. "I want you inside me now!" Rhiannon demanded, not being able to stand it anymore. Jake slammed his cock inside her, a sharp gasp coming from both their mouths. "Oh yes, fuck me hard Jake," she moaned. Jake started pounding her, the slapping of their bodies echoing in the large kitchen, her DD tits bouncing. By this time, Ashley had worked her pussy to near breaking point, her fingers and thighs sticky and wet. Breathing hard, moaning as she worked her fingers in and out of her slick pussy, listening to her boyfriend fuck their sexy roommate. "Oh god yes, fuck me like a slut," Rhiannon moaned as Jake slammed her from behind, pulling her hair back and getting an amazing view of that perfect ass, their bodies in a frenzy, fucking hard and fast, none of them thinking to be quiet. Rhiannon screamed, "I want to feel your big load inside me!" with that, she felt Jake's release, the twitch of his hard cock, her pussy filling up with his warm liquid. Setting her over the edge, she began to buck and grind, riding it out till her pussy was satisfied. "Fuck yes." Jake sighed satisfied. "Fuck yes," whispered Ashley as her breathing slowly started to ease up after bringing

herself to orgasm.
