*Bambi wanted nothing more than an A in Biology...see how you got one.....*

<https://www.lushstories.com/stories/taboo/bambi.aspx>

Ever since Bambi could remember her tits were always bigger than anyone else in her class all through life she was living with these enormous tits that made her self conscious, and ashamed of whom she was. Big tit's ran in the family, her mom and everyone else she had ever meet had the same problem....HUGE TITS! It's not as if they were big over weight cows either, the Benson girls while not thin were nowhere near hefty, nice and healthy is how her dad referred to her mom, and that described Bambi to a tee!!! Because of her obvious attributes, Bambi received a whole lot of attention from the male species, and not just from guys her own age! The male teachers always paid a little more attention than they really should have. Most of the male professors did to the endowed girls, and while Bambi didn't overtly flaunt it, she loved to make the men squirm around her by accentuating her ripe bust.

Her favorite victim was wimpy Mr. Rhodes the Biology Professor. Bambi loved nothing more than to unbutton the top two buttons on her blouse, go up to a seated Mr. Rhodes, then bend over to ask an innocuous question for sole purpose of giving him an eye full of cleavage. She did this just to tease, really, not to cause any real trouble, but trouble is exactly what Bambi was getting into. With two weeks left in the semester all the teachers handed out progress reports to let the students know where they stood grade wise. Bambi had always done well in university and her parents expected nothing less than honor roll type marks since they were paying for the education. Everything was OK until Mr. Rhodes handed out the notices that afternoon. An F!!! She was getting a F in Biology!! This was not only bad, it was a disaster!!! Her parents may tolerate a C on her report card, but not an F! That would mean she would loose her financial backing for her university! NOTHING!! She would totally loose out! Bambi decided that she would talk to Mr. Rhodes after the day's final period, maybe if she pleaded with him maybe she could pull a C after all.

As the last student left the lecture hall, Bambi was left all alone at the university. Bambi walked down the long hall to his office. Approaching the office, she took a deep breath and stuck her head around the corner of the door only to see Mr. Rhodes alone grading some papers. She quickly unbuttoned

the top two buttons on her blouse and entered the room. As she neared his desk Mr. Rhodes looked up from his grading and asked what she wanted. Bambi, acting properly upset, told Mr. Rhodes of her plight, and although he was sympathetic, he said there wasn't anything he could do for her. After hearing this, Bambi began to cry, causing Mr. Rhodes came over and put his arm around her to help her sit down, while accidentally brushing his hand across her fat breast. At this point she had to make a quick decision, and with a little shiver she told Mr. Rhodes that it was something else that was really bothering her. " It's my chest," she wailed, "I feel like such a fat pig with these two big things stuck to me, everybody stares at me, I'm just a freak of nature!!!!" At that point she started crying even harder while wiping the tears from her eyes.

Obviously flustered, the professor tried to console her by telling her she looked just fine and not to worry about what anyone else thought. Bambi replied, "That's easy for you to say, you don't have these ugly things on your chest!" It was now or never, so after taking a deep breath, with a swift motion unbuttoned her blouse and stuck her tits out towards Mr. Rhodes and said, "Just look at how ugly they are, I'll bet you've never seen any that are worse!?" The totally stunned professor just stared at the most spectacular pair of tits he had ever seen, and while they strained against the thin nylon low cut lace bra, Bambi's dark nipples were clearly visible through the nearly transparent material! Mr. Rhodes' wife looked like an adolescent boy compared to this!!!

Seeing how confused he was, Bambi took the initiative and put his hand on one of her huge tits. She felt him try to pull away so she held on to his hand even tighter, acting as if he were repulsed at the thought of touching them and cried even harder, and while he assured her that there was absolutely nothing wrong with her and that he enjoyed touching them, she said she didn't believe him and turned away as if to hide them from him. As he again tried to reassure her Bambi turned back around only this time she had unclasped the front of her bra allowing her boobs to hang free!!!

Bambi at first though he won't want to touch these, he won't want to come near my hideous tits. His head was spinning! He tried to speak, but no words came out and Bambi then stepped up to him and said, "The only way you can prove to me that my boobs are not ugly is if you would suck them for me," and with that she pushed an engorge nipple towards his gaping mouth! It was too much for him to bear, and after only a moment's hesitation, he dove in and began sucking and licking for all he was worth!!! Although he was going a little wild, Bambi had to admit he was a good tit sucker; the more he sucked the wetter she got! She looked down and could see that his cock had gotten hard. Bambi calmly reached down and began to rub him through his pants.

She un-zipped his zipper and pulled out what turned out to be a very large cock, and at the sight of it Bambi dropped to her knees and greedily began to suck the huge member, while Mr. Rhodes leaned back against the wall not believing any of this was happening to him!!! Just as he was about to cum Bambi looked up and asked if she was really doing D work? He shook his head no and mouthed the

word "A". At that point she went down hard and sucked until he shot a huge load down her waiting throat. As he became limp in her mouth his breathing returned to normal, and Bambi stood up, cupped her tits, and began to twist the nipples, making them stand out like two thimbles. Immediately Mr. Rhodes' dick began to stiffen again, so Bambi hiked up her dress, slipped off her panties in one easy motion, and then after sitting on the edge of his desk with her legs held wide open exposing her wet pussy, she licked her lips and nodded her head to indicate he was stick that big cock to be deep inside of her!!!

She came once just from his initial thrust, and he pounded her cunt with fast piston like strokes until she came over and over again, until finally he groaned and emptied his hot load, deep in her boiling pussy. "You just earned an A for the next quarter," he said, while she sat there with cum dripping out of her pussy!!!
