*Karen and I watch Maria and Lucy explore each other pushing the limits.*

<https://www.lushstories.com/stories/voyeur/my-maria-scene-3a.aspx>

Maria put down the phone so Karen and I could hear what was going on at her house. Maria was a petite Latina lady who liked to put on shows for me with her old and new friends. This was the third one that I was about to see. In the last show Maria had Lucy and Karen. Now Karen was with me. We saw the look of disappointment on Maria's face as she and Lucy looked up at us waving. Lucy said, "Without Karen we can explore more of each other." Maria perked up at that and kissed Lucy. Lucy was a very petite Asian girl about 4 inches shorter than Maria. Her body was tight and perfectly proportioned to her size. Maria helped lift the dress over Lucy's head. Lucy was naked underneath. Maria took in a quick breath. Lucy said, "I knew I was coming here. So I went commando. I did not want to waste time disrobing." Maria smiled and kissed Lucy hard on her bronze lips. Lucy opened her mouth and Maria bit her lip and pulled on it. Their hands roamed each other's bodies. They explored, poked, prodded, pulled and rubbed each other. They were breathing hard and moaning when their lips broke apart. There was sweat glistening off their bodies. Maria picked up Lucy and carried her to the bed. The strap on and dildo were on the bed waiting. Maria took Lucy and laid her so Karen and I could see her pussy and her butt. She grabbed Lucy's breasts and squeezed them making the nipples pop out. Her mouth covered one breast biting the nipple and pulling on it. Lucy screamed softly. Maria's hand was pulling the other nipple. They were stretched about four inches. It was amazing to see how pliable they were. Lucy was getting so turned on that her hips were undulating while this was happening. Maria kept attacking Lucy's tits. Lucy wanted to get to Maria but she kept moving away at every advance. This frustrated Lucy. Finally she just stopped advancing and enjoyed Maria's probing and pulling getting caught up in the pleasure. Her moaning grew louder as Maria moved down her body with her mouth and hands. Maria kissed across Lucy's stomach causing it to ripple and undulate. Lucy was giggling because it tickled. Maria moved down to Lucy's mound searching for her clit with her tongue. Her tongue was hard and drove Lucy wild. Her clit was standing up out of its hood waiting to be kissed, sucked and bitten. As Maria moved over Lucy's clit Lucy was rubbing Maria's breasts. Maria's nipples were hard but nowhere near as large as Lucy's. Lucy's

hands grabbed Maria and pulled on her breasts causing Maria to cry out. Maria was probing Lucy's pussy with her fingers and spreading the swollen outer lips to get into her love channel. The love channel was wide open and sopping wet from all the kissing and probing. Maria was not going to use the sex toys today. It was going to be just fingers, hands and tongues. Maria had big plans to explore how much Lucy could take. She knew Lucy liked big wide long cocks. That meant that her pussy would stretch really wide and take anything that was put in it. Maria started by putting three fingers deep into Lucy. Lucy moaned and bucked against the hand. After a little humping on three fingers Maria added a fourth. Lucy was moving continuously now. Groaning and moaning noises were coming from Lucy. Lucy yelled, "More More I want more inside me." Maria took her whole hand and pushed it way inside Lucy. She had never had her hand inside a woman's pussy before. She felt around and pushed in and out. Lucy was leaking juice constantly now. Her hips were bouncing up and down following Maria's hand movements. Maria had moved her mouth to cover Lucy's swollen clit. The clit was throbbing when it was nibbled by Maria. Lucy moaned, "Put your other hand in my ass. I want to have both holes filled." Maria was not sure if that was a good thing. She had just put one hand in Lucy's pussy and now she wanted the other in her ass. She moved her free hand to her nether hole. It was puckered but as the thrusting continued it was gaping open when her ass moved out. It looked like three fingers could fit in there, so Maria thrust three of her fingers in Lucy's ass. Lucy gasped and screamed, "That feels so good but add more. I can take it. I want it right now." Maria, who was never one to be shy or hold back, moved her whole hand into Lucy's waiting ass. It was swallowed up just like the hand in Lucy's pussy. Both hands were wrist deep in this tiny Asian woman who was rocking and rolling with each thrust. Maria could feel the hands touching inside. It was the strangest feeling but somehow very erotic. She was getting aroused and leaking juices from her pussy. Lucy's pussy started to contract on Maria's hand as her orgasm was starting to build. Both hands could feel it coming. As Lucy came Maria pulled her hand out of her ass with a load sucking sound. There was cum shooting from Lucy's pussy as she squirted across the bed. Maria had never seen a woman squirt so hard. Karen and I sat mesmerized by what we just saw. We were naked with Karen on my lap. Her hand was gripping my hard cock. As Maria and Lucy recovered from that kinky act, Karen got on her knees and took me in her mouth. Her tongue ran up and down the length of my shaft urging me to go deeper. I pushed deeper into her mouth and her throat throbbed around my cock. She held me there moving up and down my swollen shaft. When the action started again next door she released me from her mouth and sat on my lap pushing my hard cock into her hot wet pussy and holding me there. She wriggled a little to get me into her so she could feel it. I was moaning. Now it was Lucy's turn to claim Maria. Karen and I sat wondering what could make Maria happy and squirm. Lucy and Maria were kissing, not just any kissing but devouring each other's mouths. Tongues were moving in and out lips were being bitten and pulled faces were covered with kisses. If you have ever heard the term "Sucking Face" then you know what was happening. Lucy was hungry for Maria and we were in for a real treat. Lucy's lips were busy moving all around Maria's head and face. There was not a spot on Maria's face that had not been kissed. The neck was next to be kissed. Ever so gently Lucy kissed and sucked on Maria's neck under her ear. A long moan could be heard

coming from deep within Maria. Lucy kissed and caressed Maria's neck a bit more and started trailing kisses between Maria's breasts. She licked the cleavage there and moved to her left breast. Her hand came up and squeezed the right breast. The nipple on the right breast popped up and Lucy's fingers grabbed and pulled it. Another moan came from Maria. Lucy's lips took purchase upon her left nipple sucking it hard into her mouth. With her lips flared exposing her teeth she bit down on the hard nipple pulling it away from the breast. Maria's hips jerked as the nipple was released to bounce back into place. It didn't stay uncovered long as Lucy's free hand quickly covered it. Lucy's mouth was free to continue its journey to Maria's honey pot. Her hands were busy rubbing, pinching, pulling and probing both of Maria's breasts. Kisses were trailing down Maria's torso to the top of her mound and across her body causing her to squirm and wriggle under their touch. Maria's hips were rolling left, right, up and down with the movement of Lucy's lips. Lucy was teasing Maria and both were enjoying the sensation. Maria wanted Lucy to move to her mound but Lucy was holding back. Maria yelled, "I want you to eat my pussy. You are driving me crazy all ready. Get on my pussy!" Lucy replied, "Not until I feel you are ready and deserve to be consumed." Maria threw her arms out in frustration. She wanted Lucy's tongue and mouth on her hot, throbbing, wet pussy. Her clit was straining to be touched and her lips were swollen with desire. She was haunted by the pleasure being withheld by Lucy. Her ire and frustration was being directed at Lucy. Maria had a fiery temper, we had never seen it. Lucy was pushing Maria to the limit and knew it. She was playing with her, getting her so aroused that the mere touch of her clit would set off a chain reaction of orgasms. We could see the pressure building across the yard. We were glad we were in my house and not with Maria and Lucy. Lucy reached down and touched Maria's butt hole. Maria groaned in frustration. Lucy pushed her short finger into Maria's ass. Maria jumped at the invasion. Lucy kept moving her finger in and out spreading the opening and getting it wet with cum dripping from Maria's pussy. Maria was moaning in pleasure as the feelings from her butt spread to her pussy and clit. She was calming down and getting in a rhythm with the thrusts. Just as Maria started to move with Lucy, Lucy stopped and pulled her finger out. Maria screamed, "Now what are you doing? You keep taking me higher then leave me at the brink. I want to cum. Can you make me cum? Please!" Lucy said, "I am not done with you yet. I have only just begun to fuck you. You will know when I am done." With that Lucy grabbed the dildo and rubbed it on her own pussy getting it good and lubricated. Karen and I knew where that dildo was going and Maria will not like it we thought. We were wrong. Lucy took the dildo, spread Maria's ass and shoved the dildo in hard. Maria screamed in pleasure and gasped letting out a big sigh. Lucy proceeded to thrust the toy in and out of Maria's ass quickly. Maria was moving with each thrust loving every minute of it. Lucy kept thrusting the dildo and moved her mouth quickly down on Maria's clit sucking it into her mouth. Maria stopped moving and let out a loud groan of relief. With her free hand she spread the swollen outer lips of Maria's pussy. They were so wet that it was difficult to keep them apart. Maria involuntarily spread her legs to help. Lucy ran her fingers up and down the wet slit drawing more juice from Maria. She knew Maria was ready and waiting to release one big long loud orgasm, but she wanted to tease Maria for a little while longer. It was fun. The dildo was thrusting in and out of Maria's ass, Lucy's fingers were opening her pussy, and whatever could be next? Lucy was smiling now,

because turnabout is fair play. She had opened Maria's pussy so wide that it was ready to be filled. Lucy took her hand, made it like a scoop and shoved it fully into Maria up to Lucy's wrist. The phone went dead silent as Maria lay there shocked at what had just happened. Lucy had fisted Maria. Slowly Lucy moved in and out of Maria. The senses came off overload and Maria started moving with the thrusts. Her pending orgasm was growing rapidly. Lucy could feel it and was ready to shut it down. Maria would be so pissed if it happened. Lucy touched Maria's g-spot sending Maria spinning off to la la land. Euphoria reigned supreme. Lucy felt an orgasm building in her tight body. Maria was floating on air and needed to come back to reality. Lucy stopped her thrusts in both orifices. Maria came crashing down. Now that Lucy had taken control back, she started to thrust again. Maria's pussy grabbed the hand and tried to hold it deep inside. Lucy kept it moving. Her pending orgasm was getting close to the edge. Lucy's orgasm was near the edge. The thrusting increased in speed and intensity. Both women were thrusting their pelvises. As they lifted off the bed they stopped and both pussies gushed a flood of cum and squirted all over the bed. Their respective orgasms lasted for over five minutes and they came crashing down. They lay totally spent moaning, groaning and cooing. Lucy removed the dildo from Maria's ass and her hand from her pussy. Each woman was panting trying to get back to normal. While all this was going on with Maria and Lucy, Karen was moving around on my cock. She felt me growing again and started to move faster. She was dripping wet from me inside and the show outside. She moved faster and faster. I grabbed her hips to keep her on my cock and lap. Karen was giving me the ultimate lap dance and I didn't have to pay or tip her. With the few times we have had sex we have learned how our bodies react and stay in sync with each other. Her pussy was squeezing my cock as a signal that she was ready. I got harder and stiffened up with the roar coming in my body. We exploded together for the third time today. Karen and I had become one with each other. Our bodies and minds were fused together. Maria recovered quickly and sat up. Lucy followed shortly thereafter. They walked to the window to see if Karen and I were still there. We waved at them and they laughed and smiled back at us. Maria picked up the phone and said, "Cal here is another scene to My Maria. I hope your readers enjoy it as much as we did performing it. Karen and you are invited to participate with us here in Maria's Play Room next time." Karen picked up our phone and spoke, "I am not sure I want to share my man with you or any of your friends. He is so good and he gives great shower. I don't want to lose that. Cal and I will have to discuss that like normal sexual deviants we are. Good bye Maria and thanks for the show." Lucy speaks, "That was the best sex I have ever had double fisting rocked my world. I can't wait to do it again." I hang up the phone and turned to Karen and kissed her lips. I asked, "Where would you like to have dinner this evening my love. I want you to share my bed tonight. I hope you will stay." Karen looks deeply into my eyes and says, "Cal, you have made me feel so wonderful and welcomed me into to your heart and home. I will stay with you for as long as you want me. My body, heart and soul are yours." We got up, got dressed, ate out and went to Karen's place to pack a few things so she could stay with me.
