Dan was 27 years old when he first met his future wife Katie for the first time. Katie had been a 24 year old server at a sports bar that Dan and a few of his friends had frequented. She had just started working their one night when Dan and a few of his buddies had stopped in. She was their server and Dan practically fell for her beauty almost instantly. Dan's friends razed him all night long that there was no way he could ever get a beautiful girl like that to go out with him. Katie was a total doll. She had the softest sexy voice you ever wanted to hear. She also had a very adorable face to go along with an extremely cute body. Her tits were ravishing as they were very nice in size and her butt was perfectly shaped. Dan on the other hand was just you normal average looking guy. There certainly wasn't anything spectacular about him. Dan ignored his friend's taunts and decided to ask Katie out anyway on their next visit. He was pleasantly surprised when Katie said she would go out with him. She wrote her number down on his bill as he left extremely happy that night. His friends couldn't believe that he could get a girl like that to go out with him. They ended up dating for more than two years before getting married. Life was good for Dan. The years quickly passed as they started a family and had two young children. Their marriage was rock solid over the years and stayed that way until one night. Dan who now had passed the age of 42 loved to read and especially loved reading very erotic stories. He visited a site that offered a variety of different erotic stories. He had his favorites when it had come down to stories, but for some reason that given night he decided to checkout a wife sharing story. He would normally pass them over because there was no way he could ever share Katie with another man. He read this very intense story about how a husband around his age had shared his wife for the first time with a young stud. He was astounded how he had gotten into the story. He found himself on the edge of his seat very aroused as he read every line of it intently. When he was finished he couldn't believe how hard his cock had gotten. He now began to see why men would want to watch their wives with another man. He quickly scattered off into the bathroom and jerk off before retiring to bed that night. The next day at work he couldn't get anything done as the thought of this man sharing his beautiful wife with another man had consumed him. He sat at work very aroused and couldn't wait to get home that night so he could read others. That night he read several more wife sharing stories. He had gotten just as aroused as he did the night before

but this time was different. Instead of thinking about how these husbands shared their wives he began to think about sharing Katie instead. This made him even hornier as he jerked off twice that night to the thought of watching Katie with another man. A few weeks later Dan had been checking out a personal site in his area when he had come upon men looking for wives to fuck. He found several men who had advertise their services but one of them that had grabbed his attention almost immediately. Mike was a young man in his 20's and was looking to fuck another man's wife while the husband watched. Why Dan was pulled to his particular person was a real mystery but he decided to respond to it any way even though he wasn't really looking for a man to fuck Katie. Mike was very cordial with Dan and chatted with him for a good 15 minutes that night. He took his time with Dan trying to get his trust. It wasn't until Dan made the mistake of sending Mike a picture of his beautiful wife that things began to change. Mike found Katie to be super-hot and there was no way he was going to let Dan just walk away without getting a shot at his hot wife. Mike had been with several wives in the past but there was something different about Katie. Even though she had just turned 40 she had an extremely sexy look to her. She looked much younger than her age and Mike knew she would be an absolute doll to fuck. Mike chatted with Dan several more times over the next week as he slowly reeled Dan in on sharing Katie. He wasn't about to give up until he had Katie in his bed. He gave Dan several possible scenarios with Katie as he pushed Dan to an ultimate decision. Mike now had Dan's trust and Dan was extremely vulnerable at this point. He would jerk off continuously to the thought of Mike fucking his beautiful wife Katie while he watched. Then one night Dan couldn't take it any longer. He agreed to let Mike fuck his wife as long he got to watch. Mike was more than ok with that and they both agree on a time and date. It was a huge decision for Mike as it took some convincing to get Katie to go along with the idea of it. Mike had his own place and had planned for Dan to bring Katie over one night. Dan was very nervous that night as he drove over to Mike's place. Mike was still a stranger who Dan only knew from the internet. He worried if everything was going to go right. Mike had a small house that sat at the end of a very quiet street. It was very well taken care of as him and his wife walked up to the front door. Mike instantly opened up the door and let both Dan and his wife Katie in. Dan was astounded how well built and how good looking Mike really was. They had been there only a few seconds when Mike quickly took Katie away to a bedroom in the back of the house. He then came back for Dan and said, "I want you to follow me." Little was said between Mike and Dan as he led Dan down a flight of stairs into the basement. Dan was very confused as Mike took him a small dark room that had one overhead light in it. There was nothing in the room but a large monitor on the wall that had Katie on it. She sat patiently on a bed waiting for Mike's next move. Mike's tone now began to change from what it was just a few seconds ago. He said to Dan, "I want all of your clothes!" Dan replied, "What?" "Just do it!" Mike replied sternly back. Dan slowly began to remove his clothes as this young strong stud watched on from the doorway. Once Dan got down to just his boxers he heard the words, "Boxers too!" Dan now embarrassed slid his boxers down to the floor as he stood totally naked in front of the young stud. Mike now got a glimpse on how small Dan's cock was as he shouted out, "Bring me all of your clothes!" Dan picked up several pieces of his clothing and handed them over to Mike. Mike said, "Good boy Dan! I am going to fuck your wife good

and hard tonight while you watch it on the monitor. You want to see what I am going to fuck her with? Do you, Dan?" Dan stood there with his 5 inch cock in a semi erect state. Mike now grabbed his pants and yanked them down as Dan got a look at Mike's 9 inch cock. It was extremely big as it hung several inches down in between his legs. Dan was almost in a panic as he had no idea that Mike was that well hung. He instantly began to remember how Katie had told him about how her old boyfriend before him had a big cock. He had asked her in the past if she liked her ex-boyfriends cock was but she would always change the subject to something else. Dan was now in big trouble as Mike said as he pulled his pants back up. "You are going to enjoy the show tonight Danny boy! I am going to fuck your wife so hard tonight you will have to carry her out of here!" Mike left the room and locked the door from the outside. Dan now knew he had made a really big mistake by allowing Katie to be shared. He knew there wasn't anything he could do about it as there certainly was no way for him to get out of this small room in the basement. He couldn't even scream out for Katie as Mike turned on loud playing music just outside the room. He watched the monitor as a few minute later Mike walked into the bedroom with his wife Katie. Katie asked, "Where's Dan at?" Mike made up an excuse that Dan was a little nervous about watching from the same room and wanted to watch from another room. Then Mike's roommate Josh walked in. Mike said, "Josh is going to film us so your husband can watch." Dan now knew he was being played by Mike. Mike was no longer the guy he had trusted and had played him with perfection. He now had total control over his wife and the entire situation and there wasn't a damn thing Dan could do to stop it all from happening. Dan's only hope would be if Katie for some reason would call off the whole thing. Mike now began to remove his clothes as Katie watched from the bed. A few seconds later she stood up and began to remove her shirt and pants as she stood in front of Mike and Josh in her underwear. Mike now stood just in his briefs as a huge bulge had formed in the front of them. Katie couldn't remove her eyes from Mike's briefs as he stood there right in front of her. It was a few seconds later that Mike began to slip his briefs down over the top of his semi hard cock. The look on Katie's face was priceless as she stood their stunned as she saw Mike's big cock for the first time. She instantly began to think about her old boyfriend who also had a big cock. His cock though, was still not in the same realm that Mike's cock was. Dan now had mixed emotions as he watched Mike walk over toward his wife. He began to kiss her on the mouth as he undid her bra from behind. Katie's big beautiful tits now appeared as Mike slowly began to fondle each of them with his hands. Katie stood there as she felt Mike's big cock being pressed hard against her body as his hands ran about her lovely ass. He now grabbed Katie's hand and placed it on his magnificent hard on. She ran her hand up and down the shaft of his big cock as she felt his hand slip down into her pink panties. He began to play with her wet pussy as Katie began to squirm right in front of him. She had become so aroused now that Mike had taken control over her body. Mike was now in control of her as took Katie over to the bed and lay her down on it. He then got in between her soft legs and slowly began to remove her tight little panties. He took his time as he peeled them down inch by inch as Katie's pink lips were now visible. Dan watched on from the room in the basement as Mike now began to lick and suck on his wife's beautiful wet pussy. She let out several soft moans as Mike worked her over good with his tongue. Her moans grew by the second as Dan now could tell his

wife was on the verge of a powerful orgasm. It was about a minute later when Katie began to let out one continuous soft cry. Her body shook hard on the bed as Mike had his hands wrapped tightly on her gorgeous tits holding her body tightly onto the bed. She couldn't take it any longer as she screamed out into a very powerful orgasm as Mike licked up her beautiful juices. Dan had all kinds of emotions going through him as he now watched Mike climb on top of his wife. He kissed her for several minutes as his huge hard cock rubbed gently against Katie's swollen pussy. He then asked Katie, "You want my big cock inside you?" Katie replied in a soft voice, "Yes! Yes!" A few seconds later Katie cried out as Mike shoved his big cock deep inside her. She loved the feeling of Mike's big cock as she moaned out, "Oh my god!" She instantly remembered back to the old days when her ex-boyfriend would fuck her good and hard with his big cock. Mike's cock was even bigger as Katie cried out in a soft voice, "Please fuck me with your big cock!" Dan now knew what he had always had suspected. Katie clearly missed her ex-boyfriend's big cock. His heart sank while his cock raged with adrenalin as he watched his wife getting fucked on the monitor right before his own eyes. Mike fucked Katie good and hard for several minutes as her cries of wanting his big cock could be heard easily throughout the room. She only could take so much as another huge orgasm began to build inside her. Dan watched on begging his wife not to come on the SOB's cock but it was no use. Katie screamed out just a few seconds later into a very powerful orgasm. Her body squirmed hard about the bed as Mike slammed his big cock deep into her. Her orgasm was so intense that it went on for a good minute as she tried to regain her composure. Mike continued to fuck Katie for a few more minutes and then said, "Turn over! I want to take you from behind baby! I want you to feel my whole cock inside you!" Katie slowly crawled up onto all fours and positioned her gorgeous ass back toward Mike's huge hard on. He grabbed each of her hips and directed his cock back into her from behind as Katie immediately cried out into absolute pleasure again. Mike pounded his hard cock hard into Katie as she cried out in her soft sexy voice, "Oh my God, it is so big!" He now grabbed the back of Katie's hair pulling her head up off the bed. His roommate Josh now filmed Katie's facial expressions as Dan saw his wife's face glow with total pleasure. She loved Mike's big cock inside her as another huge orgasm began to quickly build. "Tell your husband how much you like my big cock!" Mike yelled out to Katie. "I love it! I love your big cock! Please don't stop fucking me with it!" Katie moaned. It had been a few minutes later and Katie now was on the verge of cumming again. Mike gave her several hard thrust from behind with his big cock when Katie screamed out into another fantastic orgasm. Her body shook hard on the bed as she let out one continuous scream. Mike quickly got up off his knees and now squatted behind Katie's gorgeous ass. He again rammed his big cock into her as Katie felt his cock penetrate deep inside her. She screamed out even more as she begged Mike to fuck her even harder now. He gave it all he had as he fucked Katie good and hard for several more minutes. She once again cried out into another powerful orgasm as she felt Mike's big cock touching the back of her pussy. In the meantime Mike was getting close to cumming himself. He moaned out, "Oh, God baby! I am going to cum all over that gorgeous ass of yours!" Mike now pointed his hard cock down at Katie's ass and began to stroke hard on it. It had been about a minute later when Mike grunted out loudly as he began to shoot his cum all over Katie's cute tight ass. He covered her ass in cum as Dan

watched on from the room in the basement. Dan now hoped Mike was done with his wife and waited to see if Mike was going to release him from the room. He waited several minutes but Mike had other ideas. He now wanted Katie again as he had her suck his big cock hard again. Once his cock was good and hard he had Katie climb on top of it. Katie slowly lowered herself down onto his massive cock as she immediately cried out again into pure pleasure. She began to fuck Mike hard on the bed as she started to slam herself down onto his big cock. She cried out in her soft voice, "Fuck me! Fuck me!" She fucked Mike hard for several minutes until she finally cried out again into another earth shattering orgasm. Mike now had her spin around on his cock. Her back now faced him as he began again to ram his cock hard up into her. Dan watched on from the basement as the camera panned in on Mike's big cock sliding into his beautiful wife's pussy. He fucked her this way for a few more minutes until Katie once again cried out into another strong orgasm. A short time later he now moved Katie flat onto the bed. He got on top of her and immediately slammed his big cock back into her as she cried out loudly again. He fucked her good and hard for almost 30 minutes straight as Katie cry out into multiple orgasms. Dan watched on in horror as Katie came again and again on the young stud's big cock. Mike was now ready to cum once more. He held Katie tightly down onto the bed as he said, "I am going to cum inside you baby!" Dan now screamed obscenities at the monitor as the deal between him and Mike was that he wouldn't cum inside her, but that was no longer in force. Dan was helpless as Mike gave Katie several hard thrust with his cock. He moaned out loudly as he begun to fill Katie's tight pussy with his cum. This incensed Dan even more as Katie cried out into a powerful orgasm as she felt her young lovers cum hitting the back of her pussy. Dan couldn't believe what he had just watched on the monitor. His heart sunk at the thought of Mike cumming inside his beautiful wife while his cock still raged on with total excitement. He couldn't get rid of his raging hard on as he heard Mike come down into the basement. Mike walked into the small room with a big smile on his face as Dan's wife Katie laid on the bed still trembling from the fucking she had just gotten. Mike said to Dan, "You haven't cum yet? If you want me to stop fucking your wife then I want to see you jerk off right now to your wife up there on the monitor." Dan still upset replied back, "No way! I am not going to do it!" "Then fine! I will fuck Katie hard again!" Mike sternly replied. Mike now left the room in a huff as Dan begged him to come back. He now agreed to do whatever Mike had wanted him to do but it was to no use. Mike quickly locked the room up again leaving Dan to watch his wife get fucked again on the monitor. Dan had made a huge mistake as Mike ordered his roommate Josh to get undressed. Josh's cock was also good size and was much thicker than Mike's. Mike said to him, "Let's both fuck her!" Katie was already exhausted as Josh climbed up on top of her. He quickly rammed his thick hard cock deep into her as Katie once again cried out in a soft voice. He fucked her good and hard for several minutes as Katie once again screamed out into another powerful orgasm. Josh's cock was so thick it practically split Katie into two as he rammed it into her for a few more minutes. Mike now pulled Katie's head over to the side of the bed. He pushed his big cock deep into her mouth as his roommate Josh continued to fuck her hard on the bed. This went on for a good ten minutes as Mike's cock again was good and hard. They now switched positions as Mike had Katie get up on all fours on the bed. He began to fuck Katie very hard from behind as Josh held Katie's mouth

tightly onto his thick cock. She sucked hard on Josh's cock as she felt Mike's cock slip deeply into her worn out pussy. A few minutes later they again change places. Josh now had gotten in behind Katie and pushed his thick cock into her from behind. Josh fucked Katie hard for several minutes as her lymph worn out body could only take so much. Her body now had fallen completely flat on the bed as Josh continued to ram his thick cock into her. This went on for a few minutes as Katie let out one continuous cry for him to fuck her. Josh also began to grunt out as his balls were ready to explode. Mike now had come up with the idea that they both should cum all over Katie at the same time. They had Katie lay in the center of the bed as each one of them stood on each side of her. They each began to stroke hard on their cocks as Dan could hardly watch from the basement. It had been five minutes later when each of them began to grunt out loudly. Josh started to cum first as he began to shoot his cum all over Katie's beautiful tits. It was now Mike's turn, instead of cumming all over Katie's tits like Josh did he decided at the last minute to point his cock toward Katie's lovely face. A few seconds later he began to explode all over Katie's face as he shot several streams of cum all over it. Katie's tits and face were now covered in cum as Mike again headed back down into the basement. He opened the door once again to see Dan standing there with a huge hard on. He asked Dan one more time, "I see you still hadn't cum yet. I want to see you jerked off to your lovely wife up on the monitor. If you don't we will fuck her again." Dan now had no choice as he began to stroke on his cock while watching his beautiful wife on the monitor as she lay on the bed exhausted as cum dripped off her beautiful body. It didn't take Dan more than thirty seconds before he moaned out into a very powerful orgasm. He was so excited that his cum flew halfway across the floor right in front of Mike. He now stood before Mike embarrassed and begging for him to give him his wife back. Mike then replied, "Sure you can have her back, as long you bring your wife back next week so I can fuck her again." Dan quickly agreed to bring his wife back over the following week. Mike now released him and his wife as they headed for their car. Katie quickly had fallen asleep in the car giving Dan a chance to reflect on what just had happened. He realized that this all had started one innocent night after he had read an intense story on how a husband had shared his wife with a young bull. This now led him to the situation he was now in. I guess the moral to the story is be careful what you read or it may come back to haunt you.
